BRAIN TUMOUR

NON-INVASIVE DIAGNOSIS AND TREATMENT FOR BRAIN TUMOUR.

We very well know, at initial stages there are no symptoms. It can be diagnosed only when revealed on the physical. But by then it is too late.

A cancerous or non-cancerous mass or growth of abnormal cells in the brain.

A brain tumor occurs when abnormal cells form within the brain. There are two main types of tumours - malignant or cancerous tumours and benign tumours. Cancerous tumours can be divided into primary tumours that start within the brain, and secondary tumours that have spread from somewhere else, known as brain metastasis tumours. All types of brain tumors may produce symptoms that vary depending on the part of the brain involved. These symptoms may include headaches, seizures, problem with vision, vomiting, and mental changes. The headache is classically worse in the morning and goes away with vomiting. More specific problems may include difficulty in walking, speaking, and with sensation. As the disease progresses unconsciousness may occur.

We, at MEHAK WELLNESS CENTRE, under the expertise of DR RAJEEV PRAKASH MEHRA, a GOLD MEDALIST & REIKI GRAND MASTER offer NON-INVASIVE Diagnosis on State of the Art, latest 21st Century technology to verify the onset or presence of Tumors in the Brain and other areas of the body, Tumor Formation factors, defective Chromosomes forming the tumors, and finally whether they are cancerous or non-cancerous.

We, run a 7,000 parameter test which includes Auto-Immune, Chromosomes and Genetic factors, thus in a position to guide the client of a future onset or presence in specific areas for their probable discomfort.

With vast experience of over 33 years, working with Cancer patients including Brain Tumor cases and being awarded with 80+ Certificates & Awards – DR RAJEEV PRAKASH MEHRA is confident of handling all related cases successfully. Whatever is the type of Tumor and where ever located in the body, therapy remains the same.

The test thus helps us in taking preventive measures for the disease much before it can show up on the regular physical tests.

WHAT WE DO & WHAT WE DO NOT DO:

1. WE DO NOT DIAGNOSE:

We assess, measure, determine or evaluate a condition.

2. WE DO NOT PRESCRIBE:

We recommend, suggest, advice or offer options to alleviate the condition.

3. WE DO NOT TREAT:

We work with, release, normalize, relieve, balance or remedy a condition.

4. WE DO NOT CURE:

We alleviate, balance, improve, correct or normalize a condition.

5. WE DO NOT Use the word "DISEASE":

We use condition, problem or imbalance.

6. WE DO NOT MAKE CLAIMS OR PROMISES:

We explain that health is an individual matter with many approaches to healing and no guarantees. It is our job to educate our clients so that they are more in control of their own health.

•

Our work involves to DE-STRESS all concerned areas, causing an imbalance, leading to Diseases / Disorders. We work to MANAGE STRESS, to help the system function normally. Our work pattern is to DETOXYFY the system. Support it with ESSENTIAL SUPPLEMENTS & FREQUENCY ENERGIES. And finally, provide CORRECTIVE FREQUENCIES, to restore balance in the system. We strongly believe in "BODY HEALS ITSELF".

We conduct a test to reveal the Genetic component involved in this disease. On having the results for the Genes, Chromosomes, Auto Immune & Tumor specific areas, we are in a position to assess the damage done or possible damage in the near future.

Our work is NON-INVASIVE. We work with BIOFEEDBACK & RADIONICS. Tumors whether cancerous or not, present in any part of the system, makes no difference, the therapy remains the same.

Being in NON-INVASIVE stream, we do not recommend Chemo-Therapy, Radiation, or Surgery. As far as possible we advise to avoid removal of any Body Part.

Basic cause of BRAIN TUMOR is mainly due to GENETIC factors, thus by working on the root cause and stabilizing the GENES, CHROMOSOMES, AUTO-IMMUNE disorders and all parameters related with CANCER and TUMORS / TUMOURS, we are in a position to eradicate the Cancer cells and Tumors without any side effects or danger to client's life. Information on the spread of cancer cells in the system is important to tackle it from each and every cell / organ which it has invaded.

Two main causes of activating CANCER are lack of Oxygen supply (Hypoxia) and Acidosis.

Both these issues are taken into account for correction along with other related issues instigating / provoking / supporting CANCEROUS Cells and Tumor formation.

We advise to COMPLEMENT our services, with the ongoing therapies / treatment for better and faster results.

We strongly recommend DETOX procedure. This should be started immediately. COLLOIDAL SILVER WATER, ANTIOXIDANT HYDROGEN RICH WATER and use of ZAPPER. Not to forget Liquid Chlorophyll. RADIONICS and RIFE FREQUENCIES for basic corrections; start immediately on the RADIONICS maintenance kit. DIETARY SUPPLEMENTS (HemoHIM) for speedy recovery. NON-INVASIVE therapy is administered, which could take 18 to 72 sittings of BIOFEEDBACK therapy to resolve most issues depending on the individual's resistance from within and the body's ability to HEAL.
