MENINGITIS

NON-INVASIVE DIAGNOSIS & THERAPY FOR MENINGITIS.

Inflammation of brain and spinal cord membranes, typically caused by an infection.

MENINGITIS is an inflammation of the membranes (meninges) surrounding your brain and spinal cord. The swelling from meningitis typically triggers symptoms such as headache, fever and a stiff neck. Most cases of meningitis are caused by a viral infection, but bacterial and fungal infections are other causes. Some cases of meningitis can be life-threatening and require immediate attention. One should seek immediate medical care if suspected with meningitis. Early treatment of bacterial meningitis can prevent serious complications.

SYMPTOMS:

Early meningitis symptoms may mimic the flu (influenza). Symptoms may develop over several hours or over a few days.

Possible signs and symptoms in anyone older than the age of 2 include:

- **Confusion or difficulty concentrating**
- **Headache with nausea or vomiting**
- **No appetite or thirst**
- **Seizures**
- **Sensitivity to light**
- **Severe headache that seems different than normal**
- **Skin rash (sometimes, such as in meningococcal meningitis)**
- **Sleepiness or difficulty waking**
- **Stiff neck**
- **Sudden high fever**

Our work involves to DE-STRESS all concerned areas, causing an imbalance, leading to Diseases / Disorders. We work to MANAGE STRESS, to help the system function normally. Our work pattern is to DETOXYFY the system. Support it with ESSENTIAL SUPPLEMENTS & FREQUENCY ENERGIES. And finally, provide CORRECTIVE FREQUENCIES, to restore balance in the system. We strongly believe in "BODY HEALS ITSELF".

We very well know, at initial stages there are no symptoms. It can be diagnosed only when damage is revealed on the physical in the medical tests. But by then it is too late.

We, at MEHAK WELLNESS CENTRE, under the expertise of DR RAJEEV PRAKASH MEHRA, a GOLD MEDALIST & REIKI GRAND MASTER offer NON-INVASIVE Diagnosis on State of the Art, latest 21st Century technology to verify the onset or presence of MENINGITIS and damage done to the brain and Spinal cord. We are in a position to diagnose and treat for MENINGITIS.

This can be diagnosed much before any other modern science equipment / test could diagnose.

We, run a 7000 parameter test along with testing for AUTO IMMUNE disorders and are in a position to guide the client of a future onset or presence of MENINGITIS.

With vast experience of over 33 years, working mainly with Cancer patients and being awarded with 80+ Certificates & Awards, DR. MEHRA is confident of giving positive results in all cases handled by them. Possibility of Meningitis is revealed.

The test thus helps us in taking preventive measures for the disease much before it can show up on the regular physical tests.

What we do / how we tackle this issue.

We conduct a test to reveal the Genetic component involved in this disease. On having the results for the Genes, Chromosomes, Auto Immune, Brain, Spinal Cord and Meningitis, we are in a position to assess the damage done or possible damage in the near future.

Our work is NON-INVASIVE. We work with BIOFEEDBACK & RADIONICS. Bacteria / Virus could be of any type, makes no difference, therapy remains the same.

Being in NON-INVASIVE stream, we do not recommend any type of drugs, medicines as they would not deliver any positive long lasting result. As far as possible we advise to avoid surgery or removal of any part from our body.

Cause of MENINGITIS is mainly due to virus, bacteria or fungus leading to infection, inflammation and damage. Thus by working on the root cause and stabilizing the GENES, CHROMOSOMES, AUTOIMMUNE disorders and all parameters related with Meningitis, we are in a position to eradicate the virus, bacteria or fungus without any side effects or danger to client's health. Complete eradication of the micro-organisms, and working to restore the damage done is undertaken.

Causes of Meningitis, built up and damage in the system are undertaken for correction, along with other related issues instigating / provoking / supporting the micro-organisms.

We advise to COMPLEMENT our services, with the ongoing therapies / treatment for better and faster results.

We strongly recommend DETOX procedure. This should be started immediately. COLLOIDAL SILVER WATER, ANTIOXIDANT HYDROGEN RICH WATER and use of ZAPPER. Not to forget Liquid Chlorophyll. RADIONICS and RIFE FREQUENCIES for basic corrections; start immediately on the RADIONICS maintenance kit. DIETARY SUPPLEMENTS (HemoHIM) for speedy recovery. NON-INVASIVE therapy is administered, which could take 18 to 72 sittings depending on the individual's resistance from within and the body's ability to HEAL.
