The infographic features a central image of a white, 3-layered cloth face mask with black elastic ear loops. Surrounding the mask are various icons and text boxes. At the top left is the 'bio immunity mask' logo. To the right are two circular seals: one for '100% ORGANIC' and another for '1 WORLD'S NUMBER ONE'. Below these is a red circle with a white slash over a green microorganism icon, representing the '99% REDUCTION' in bacteria, viruses, and odour. The mask itself has several small logos on it, including the 'Heenrgy' brand name and a 'NANO BIO SILVER TECHNOLOGY' seal. Lines connect the text boxes to specific features of the mask, such as its unisex design, eco-friendliness, and multi-protective filtering capabilities.
