

Motion sensor inbuilt LED luminaire Model LMI503

use technology to reduce your energy bills

Sensor type: Microwave
Lumen output 1800 Lumens
Colour rendering index greater than 75
Detection range 360degree x 8mtrs
Installation height: 5 to 8 Mtrs
Wattage at bright 15watts
Wattage at dim 3watts

Bright to dim time 1minute
Size 40 x 600mm
Input voltage: 180volts to 265Volts
Power factor greater than 0.9
Driver efficiency: Greater than 85%
Surge Protection: 3.5KVA
Warranty: 2years

INDUSTRIAL CONSULTANT CORPORATE
