

RACKING SYSTEMS

EROS offers robust industrial racking systems for assembly operations, industrial warehouses, large scale retail outlets, manufacturing facilities and distribution centers.

The design and dimensions of the racks are determined based on the size of the goods stored in it, their weight and the storage space required.

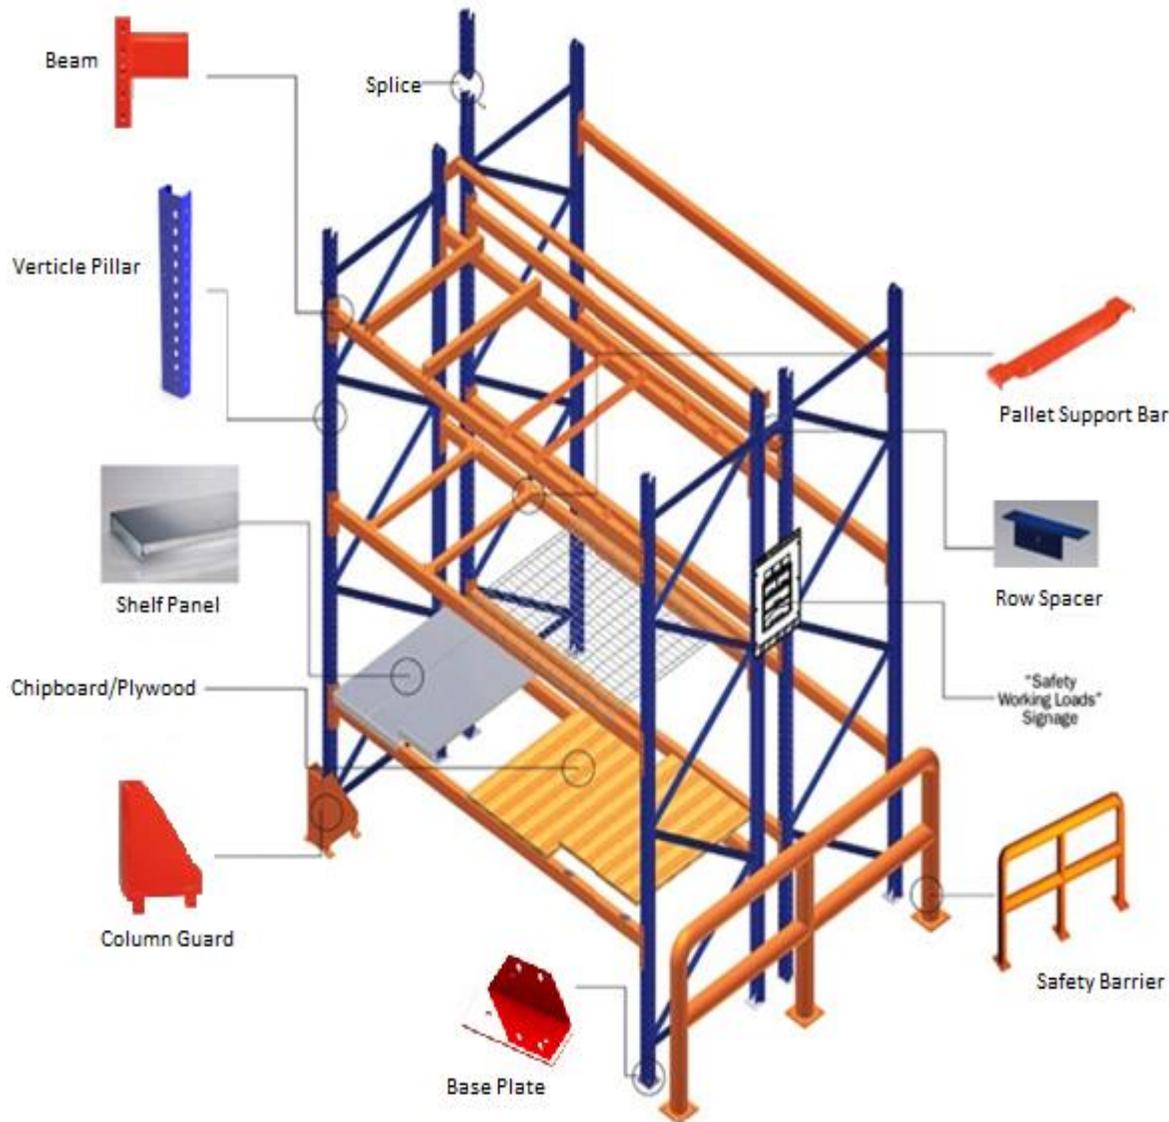

OUR PRODUCT RANGE

- LIGHT DUTY SLOTTED ANGLE RACKS
- MEDIUM DUTY RACKS
- HEAVY DUTY RACKS
- DOUBLE DEEP PALLET RACKS
- CANTILEVER RACKS
- DRIVE IN PALLET RACKS
- DRUM RACKS
- LONG SPAN SHELVING RACKS
- CUSTOMISED RACKS AS PER REQUIREMENT
