## 35V-DC NODE

MODEL NO. 3500 ( operate on 35V DC Supply )

### Description :-

Optivision Model no.3500 is 35V DC operated, low power consumption with high-output, high-performance, full-featured CATV optical node designed very latest SMD Technology to provide reliable deliver a full performance of multiplexed video. The unit is constructed with high quality components to enable it to meet or exceed its performance. It has External Fuse so that customer can control the Input-Output power Supply. This node have 24V IC & BO IC and can be operated via only 35VDC Power supply. The unit have powder coated housing for rust free.

Wave length 1200nm - 1600nm	RF Output Level 115dB $\mu$ v	ECO FRIENDLY	ATTENUATION -20dB	High Responsive Optical Module
Optical Input +2dBm ~ -16dBm	Linear 1000MHz	Operate on 35VDC	GaAs IC MODULE	HD + DIGITAL READY
