Band Indicator

It is a microcontroller based, wall mountable unit which is used for giving audio and visual indication for Within Range Temperature Reading (Green Lamp) and Out of Range Temperature Reading (Red Lamp + Hooter). It has facility to enter Upper Limit Reading and Lower Limit Reading of Temperature.

TECHNICAL DATA

Supply Voltage	230V AC \pm 10% 50 Hz Single Phase
Input	Current Loop 2-20mA
Display	0.56", 7 segment High Intensity, Bright Red
Keypad	4 x 4 Tactile Keypad
Cabinet	MS cabinet
Dimensions	252 x 207 x 10 mm (L x W x H)
Weight	3.5 Kg
Mounting	Wall Mounting
Operating Temperature	0° - 55° C
