### WHAT IS RADIONICS?

Radionics is a method of sending precisely defined healing energy to people, animals or plants, no matter where they are in the world. The name reflects the view of early practitioners that they were 'broadcasting' healing, but we now believe that radionics treatment occurs at a level of reality where there is no distance between us. This is a challenging concept, but it is entirely compatible with modern physics and also with the ancient mystic teaching that at some level we are all one, and that at this level exchange of healing energy can occur.

Maintaining your invisible energy field.

Fundamental to radionics is the view that a living body has a subtle energy field which sustains and vitalizes it. If the field is weakened, for example by stress or pollution, then eventually the physical body also becomes weak, leaving it susceptible to illness. The aim of radionics is to identify the weaknesses in this field and to correct them, and thereby alleviate or prevent physical or emotional dis-ease.

This subtle field cannot be accessed using our conventional senses. Radionics practitioners use a specialized dowsing technique to both identify the sources of weakness in the field and to select specific treatments to overcome them.

'Tuning In'.

It is not necessary for a patient to be present for the practitioner to 'tune in' to him / her. Something unique to the patient such as a signature or hair sample may be used as a proxy, or 'witness'. This can happen, we believe, because part of the mind of each of us is linked via a universal mind. The universal mind seems to function outside the familiar space-time framework of our day-to-day lives and that is why it does not matter where the patient and practitioner are geographically located. They can be together or many miles apart.

In order for a practitioner to carry out an analysis and treatment, the patient completes a case history form and gives his / her consent. (In the case of children or animals the consent of the parent / guardian or owner / trainer is required.) Consent can be withdrawn at any time. All information provided by the patient is held in the strictest confidence.

How Radionics healing is carried out.

**Practitioners use an instrument to both analyze and treat the physical and emotional weaknesses evident in the patient's subtle energy field. Understanding this field requires extensive study. The instrument serves to focus the thoughts of the practitioner and many types are in use, varying in complexity from computerized machines to quite simple devices. Once the weaknesses in the subtle energy field have been identified specific healing treatments, usually coded in the form of numbers called 'rates' which represent the ideal energy states to be induced, are conveyed to the patient with the aid of the instrument.**

What to expect during Radionics treatment.

**The first sign that treatment is working may be an increased feeling of wellbeing. An improvement in physical symptoms usually follows. If you have been ill for a long time several months of treatment may be needed. It is advisable to keep in regular contact with your practitioner during your treatment in order for it to be as effective as possible. Radionics treatment can also be helpful for those suffering chronic or terminal illness.**

What about children, animals and plants?

**All living things may be treated using radionics. Babies, children and animals respond well to treatment. Radionics methods have also been successfully employed in horticulture and agriculture.**

What people are saying about Radionics today

In his book, Vibrational Medicine for the 21<sup>st</sup> Century Richard Gerber M.D. writes:

**'This developing science provides a whole new understanding of the far-reaching potentials of human consciousness and the hidden capabilities of the multi-dimensional human being.**

**It is a unique healing modality - a system of diagnosis and treatment geared to more than just the physical body.... It may ultimately teach us the most about the vibrational nature of healing and consciousness itself....and aid us in releasing our own inner capacities for self-healing and healing at a distance.'**

IN SHORT:

**Radionics is a technique of healing using extrasensory perception (e.s.p.) and an instrument. It is not directed at the physical body so much as at the subtle energy fields, those fields undetected by the normal senses but which support life and are essential for its functioning. The patient can be with the practitioner or many miles away - distance is irrelevant. The scientific view of the world is now changing and Radionics can be more readily accepted into that view.**

**Experience has shown that radionics treatment can be helpful in a wide range of conditions. It does not replace nor interfere with conventional medical care, but supplements it. It may be of value in situations where conventional medicine has little to offer.**

**Radionics is also a useful supplement to other complementary therapies.**

**Radionics is also an environmentally friendly therapy. There is no drain on natural resources or unwanted side effects.**

**Radionics techniques can also be used to help ANIMALS, SOIL and CROPS.**

**REVERSAL OF ALL CONDITIONS, DISEASES, DISORDERS POSSIBLE.**

**MEDICINES ARE DISPENSED IN A FORM AS PER THE REQUIREMENT OF THE PATIENT. THEY COULD BE - WATER, FRUITS, VIBHUTI OR THE GLOBULES AS USED IN THE HOMOEOPATHY. THESE ARE JUST A MEDIUM TO TRANSFER THE ENERGY TO THE PATIENT.**

**FOR REASONS OF SIMPLICITY WE PREFER TO USE THE GLOBULES AS THEY ARE EASY TO CARRY, AND COULD BE DISPENSED TO ANY AGE GROUP.**

**THE SCIENCE USED HERE IS CALLED "RADIONICS".**

**RADIONICS WAS PIONEERED IN THE EARLY 1900'S BY DR. ALBERT ABRAMS. THIS IS A SCIENCE OF 'VIBRATIONAL FREQUENCIES'.**

**HERE FREQUENCIES OF ENERGY CALLED RATES WHICH CORRESPOND TO ORGANS, DISEASES, PSYCHOLOGICAL STATES, ELEMENTS, NATURAL REMEDIES (e.g. HERBAL, HOMOEOPATHY, FLOWER, NUTRITIONAL TISSUE SALTS etc.) ARE TRANSFERRED TO THE GLOBULES GIVEN TO THE PATIENTS. AS THE MEDIUM DOES NOT CONTAIN ANY DRUGS OR ADDITIVES IN ANY FORM, BUT ONLY VIBRATIONAL ENERGIES THEY ARE COMPLETELY SAFE AND HAVE NO SIDE EFFECTS. THESE CAN EASILY BE ADMINISTERED TO ANY AGE GROUP AND WOULD NOT HAVE ANY ILL EFFECT IF CONSUMED IN EXCESS.**

**WE AT, MEHAK WELLNESS CENTRE, HAVE SET UP THIS UNIQUE PROJECT WHERE THE VIBRATIONAL FREQUENCIES FROM MEDICINES DISPENSED IN DIFFERENT THERAPIES LIKE HOMOEOPATHY, BIO TISSUE SALTS, BACH FLOWER REMEDIES, ALLOPATHY, and AYURVEDA etc. ARE TRANSFERRED TO THE GLOBULES AND ADMINISTERED TO THE PATIENTS, THUS ELIMINATING THE SIDE EFFECTS OF THE MEDICATION. THIS IS ALSO USEFUL WHERE SOME DRUGS ARE TOO EXPENSIVE OR WHEN THEY ARE NOT READILY AVAILABLE.**

**MEDICINES DISPENSED FROM 'RADIONICS' STREAM ARE 100% SAFE WITHOUT ANY SIDE EFFECTS. CONSUMPTION REMAIN THE SAME, RIGHT FROM A CHILD TO AN AGED PERSON. NO CHANGE IS REQUIRED IN DOSAGE OR POTENCY.**

**CAUTION: ONE MINUTE GAP IS REQUIRED TO BE KEPT IN BETWEEN EVERY BOTTLE, AS THE GLOBULES CARRY VIBRATIONS. NO RESTRICTIONS AS TO THE FOOD OR DURATION BETWEEN FOOD AND MEDICATION. THE SAME CAN BE CONSUMED BEFORE ALONG WITH OR AFTER THE FOOD.**

**LIST OF MEDICINES (VIBRATIONAL) AVAILABLE IS OVER 20,000.**
