## AURA AND CHAKRA BALANCING

WELLNESS CENTRE FOR AURA AND CHAKRA BALANCING AND REPAIR

**At, MEHAK WELLNESS CENTRE, on the latest 21<sup>st</sup> century State of Art Technology, computerized equipment we run these tests for AURA scan and measuring CHAKRA frequencies.**

**The AURA test informs us on the mood patterns, whether the person can share unconditional love and indication for our spirit guides (if they are present).**

**Electronic CHAKRA diagnosis and balancing is carried out. Manual corrections too are offered.**

**Aura is an invisible energy field present around every object whether living or non-living. Aura can also be defined as etheric energy pattern around an object. ... It is not possible to have a positive aura with negative thought pattern, no matter how the person may present himself outwardly.**

**Releasing Blocks, Creating Flow. Aura healing is also known as spiritual healing, energy healing, or psychic healing. Aura field healings are an excellent way to release blocks and unwanted energies, and get your own energy flowing, so you can heal.**

**We have different layers of AURA. A damaged AURA brings in instability, emotional and mental imbalance and damage on the physical level. By carrying a strong AURA, we are able to wade away all negativity, thus protecting us from any harm to our physical.**

**Chakra Cleansing is VERY important. The Seven Chakras are centres of spiritual power or wheels of energy that flow through the body. They run from the base of the spine to the crown of the head. ... This Chakra Cleansing Crystal Pattern will gently open, realign, cleanse and balance the energy flowing through the chakras.**

**Prominent systems used by us for CHAKRA Balancing / Healing are:**

<b>REIKI / CRYSTAL</b>	<b>- Manual</b>
<b>RIFE FREQUENCIES</b>	<b>- Music</b>
<b>BIOFEEDBACK</b>	<b>- Light, Music &amp; Frequency.</b>

**CHAKRAS are known to be our energy centres, from where support is given to heal our full system. Healthy Chakras lead to a healthy Life.**

**We recommend all to have their CHAKRAS examined and balanced at regular intervals. This would help in leading a healthy and balanced life.**

**We advise to COMPLEMENT our services, with the ongoing therapies / treatment for better and faster results.**

**We strongly recommend DETOX procedure. This should be started immediately. COLLOIDAL SILVER WATER, ANTIOXIDANT HYDROGEN RICH WATER, ATOMY VITAMIN C and use of ZAPPER. RADIONICS and RIFE FREQUENCIES for basic corrections; start immediately on the RADIONICS maintenance kit. DIETARY SUPPLEMENTS (HemoHIM) for speedy recovery. NON-INVASIVE therapy is administered, which could take 18 to 72 sittings depending on the individual's resistance from within and the body's ability to HEAL.**

For AURA and CHAKRA balancing and repair, a 21 days session is recommended.
