TOXICITY CAUSE OF IMBALANCE IN THE SYSTEM
DETOXIFY TO ENJOY STRESS FREE LIFE

We very well know, at initial stages there are no symptoms. It can be diagnosed only when revealed on the physical. But by then it is too late.

We, at MEHAK WELLNESS CENTRE, under the expertise of DR. RAJEEV MEHRA, a GOLD MEDALIST & REIKI GRAND MASTER offer NON-INVASIVE Diagnosis on State of the Art, latest 21st Century technology to verify the onset or presence of any Toxicity or Stress leading to complications and further registering as a DISEASE / DISORDER.

DETOXIFICATION at an early stage proves beneficial.

We, run a complete 7000 parameter test which includes AUTO IMMUNE disorders and CHROMOSOMES and issues related to GENETIC disturbances, thus are in a position to guide the client of a future onset or presence of Chronic diseases / disorders prevailing in the system or may manifest in the future. DETOXIFICATION is highly recommended in all cases.

With vast experience of over 35 years, working with chronic cases like Cancer, Diabetes, HIV, Heart, Female complications to name a few, and being awarded with 80+ Certificates & Awards – DR. RAJEEV MEHRA is confident of handling all types of chronic issues related with CELLULAR level corrections.

The test thus helps us in taking preventive measures for the disease much before it can show up on the regular physical tests. Toxicity and Stress are the main issues causing an imbalance.

What we do / how we tackle this issue.

We conduct a test to reveal the Genetic component involved in this case. On having the results for the Genes, Chromosomes, Auto Immune, Stress and Toxicity, we are in a position to assess the damage done or possible damage in the near future.

Areas covered are STRESS and MICRO-ORGANISMS covering Bacteria, Fungal, Parasites, Pathogens, Toxins, Virus etc.

Our work is NON-INVASIVE. We work with BIOFEEDBACK, RADIONICS and SUPPLEMENTS.

Being in NON-INVASIVE stream, we do not recommend any Invasive methods or Chemicals and Drugs to be used.

Basic cause of TOXICITY is mainly due to life style. Environmental factors, Food intake, Medication, lack of Water intake and low SUPPLEMENT availability. GENETIC factors and IMMUNE SYSTEM play a vital role. Thus by working on the root cause and stabilizing the GENES, CHROMOSOMES, AUTO-IMMUNE disorders and all parameters related with MICRO ORGANISMS, we are in a position to eradicate TOXICITY, without any side effects or danger to client's life.

Main causes of deterioration in the system are imbalanced Hemoglobin, lack of Supplements and Oxygen supply, Hypoxia and Acidosis, along with Stress and Micro-Organisms.

These issues are taken into account for correction along with other related issues instigating / provoking / fall / weakening of the Immune System.

Our work mainly involves 4 stages- DETOXIFICATION; CHROMOSOME test, to identify hereditary issues, faulty programming; IMMUNITY test, to verify an AUTOIMMUNE angle and finally support with SUPPLEMENTS (AMINO ACIDS, HORMONES, MINERALS and VITAMINS).
