## PAST LIFE CORRECTIONS / KARMIC MANAGEMENT

WELLNESS CENTRE SPECIALIZED FOR PAST LIFE CORRECTIONS  
NON-INVASIVE

Suffering, Pain, Financial Losses, Relationship Issues, Depression, Health Issues, we can go on and on to share our failures in life and end up in blaming the Almighty the Creator. We feel we are the only one being targeted for suffering and pain. But NO, we all go through some of this at some point of time.

Has anybody tried to evaluate the cause? If you search around you, you may not find any answer, only excuses for our suffering, which we gladly accept.

Has anyone tried to look deeper, why me? Well our scriptures say it all. It is our SOUL, which is travelling, from one birth to another. We get a new body, a new name every time we reappear, but our deeds we carry with us.

In every new birth, we get an opportunity to undo the past and move higher. But without realising we keep on adding to our past mistakes and come to a stage where we have no more space to carry our junk. This is the point where we feel the PAIN of carrying useless unrequired acts whose weight we are unable to carry any more.

Understanding and realising our mistakes and working on it to rectify the same, gives us relief. Visiting Holy shrines does not take away any of our accumulated negative KARMAS, but helps us in showing how to deal with the same. At the end of the day, only our Good KARMAS would help in giving relief.

We have been accumulating negative KARMAS for unknown number of births / lives, and it would take a while before we realise our mistake and start working on the same.

Here at MEHAK WELLNESS CENTRE, the opportunity is available to know the barriers blocking your growth, cause for your sufferings and an opportunity to work on the same.

We, at MEHAK WELLNESS CENTRE, offer NON-INVASIVE Diagnosis on State of the Art, latest 21st Century technology to verify the BLOCKAGE / CAUSE OF PRESENT SUFFERING. We are in a position to diagnose and Help in correcting the cause of your suffering.

This can be diagnosed much before you experience any Pain, Suffering or any Disturbances in your present life.

REVERSAL OF ALL CONDITIONS, DISEASES, DISORDERS POSSIBLE.

MEHAK WELLNESS CENTER, is the only specialized Centre in INDIA to offer NON-INVASIVE **Diagnosis and Repair** for KARMIC corrections.

**Our work is NON-INVASIVE. We work with BIOFEEDBACK & RADIONICS.**

It has been researched that the sufferings we are undergoing is for the lesson we need to learn and the same is experienced in multiple births, till we do not undo the negative past. But with this Therapy correction once done, you are cleared of the suffering not only for your present birth but for all your next births to come.

Lot of us are aware of Past Life Regression. Here using hypnosis, we are able to learn the cause of our present suffering and it's relation to our past births. In our system we work to resolve the negative blue-print.

In our system, Past Life Corrections, the process takes 15 to 20 minutes. This is computerized and has no human involvement. Client is connected with harnesses to our equipment, and a reading is generated. To start with we are informed about the cause of the problem (most disturbed area). Information generated is as follows – Release Conflict; Profession Probability; Continent Probability; Year; & Gender. Once this information is collected, we work in two parts. First Collection followed by Rectification.

Number of sittings required, would depend from person to person. Generally we recommend 36 sittings. Most cases would see positive results in just 18 sittings. Though we have seen even after 15 sittings, clients have felt a remarkable change in their lives.

We, run a 7000 parameter test along with testing for AUTO IMMUNE disorders and are in a position to guide the client of a future onset or presence of any major diseases.

With vast experience of over 35 years, working mainly with Cancer patients and being awarded with 80+ Certificates & Awards, DR. RAJEEV MEHRA is confident of giving positive results in all cases handled.

The test thus helps us in taking preventive and corrective measures to balance our Life.
