COMPUTERIZED NADI PARIKSHA

MEHAK WELLNESS CENTRE is the only clinic in INDIA / ASIA, offering BIOFEEDBACK DIAGNOSIS & TREATMENT using COMPUTERIZED NAADI PARIKSHA.

Our ancient medical science was far superior in Diagnosis through pulse for any medical disorder. Down the years, we have lost this beautiful knowledge to the so called modern medical science.

We once again bring to our fellowmen in INDIA, this beautiful Diagnosis system. At MEHAK WELLNESS CENTRE, we offer a 7000 parameter diagnosis in just 5 minutes, which covers everything that is required to understand the disease / discomfort in a human system.

Scanning is done for Chromosomes, Auto Immune disorders, Meridians, Acupuncture points, Hormones, Micro-organisms (covering full range: Bacteria, Fungal, Parasites, Pathogens, Viruses, etc.). Every disease known to mankind. Every Bone, Nerve, Muscle in the human body. The list is endless, in short, everything that could make or break a human system is included in the scan.

Scanning can be undertaken at any time in one's life. The earlier done is better, as, if any disease / disorder is revealed in the scanning, the same could be taken up for correction. We strongly recommend newly-weds to get a scan done at the earliest. If any disorder / known family history / hereditary disease is present, the same could be worked on whereby the benefit would be shared by the parents, as well as the children you would be giving birth to.

Our work involves to DE-STRESS all concerned areas, causing an imbalance, leading to Diseases / Disorders. We work to MANAGE STRESS, to help the system function normally. Our work pattern is to DETOXIFY the system. Support it with ESSENTIAL SUPPLEMENTS & FREQUENCY ENERGIES. And finally, provide CORRECTIVE FREQUENCIES, to restore balance in the system. We strongly believe in "BODY HEALS ITSELF".

We very well know, at initial stages there are no symptoms. It can be diagnosed only when revealed on the physical. But by then it is too late.

This is a Non Invasive technique, Safe, No Side Effects, No Pain; Only Gains.

REVERSAL OF ALL CONDITIONS, DISEASES, DISORDERS POSSIBLE.

System works by reducing the stresses on a body at electro-magnetic level.

Stress begins by producing an alarm response in the body, which if not managed by the body's own natural resources, can lead to development of an adaptation response. If stress is not resolved, symptoms appear. Imbalances usually begin at the cell level, progress to tissue and organ level, and may involve whole systems.

Stress may result from a large number of factors including, but not limited to:

- **Thoughts of self-doubt that block perceptual awareness**
- **Nutritional deficiencies**
- **Inadequate intake of water or oxygen**
- **Toxic stress factors such as fungus, bacteria, viruses and chemical agents**
- **The presence of heavy metals**
- **Prescription drugs or other synthetic compounds**
- **Geopathic stressors such as parasites or allergens**
- **Genetic predisposition**
- **Bio-field contamination from radiation, microwaves, diverse frequencies**
- **Lifestyle preferences and practices**
- **Emotional baggage**
