

# M520

## Product introduction

The single alarm audio and video law enforcement recorder developed by our company contains a number of the latest charging, positioning and audio and video processing technologies. It has comprehensive functions and reliable performance. Law enforcement personnel can use the device to perform real-time recording, collect evidence, standardize law enforcement, and truly record the law enforcement process when performing tasks on the scene of law enforcement.

## Product parameters

Model		M520
The processor		MTK6761V-WA+ HI3518E
The operating system		Android 9.0
memory	Run a memory	1G
	The fuselage memory	16G
	TF card	16 - 256 g
protective	The IP rating	IP68
	Drop height	2 meters
According to	size	2 inch LCD
	touch	support
	Viewing Angle	130degree
	language	Can choose
	Machine watermark	The device ID, latitude and longitude, time date
Audio image parameters	The video resolution	1920 * 1080 30 p 1280 * 720 30 p 640 x480 30 p

	Video coding format	H.265
	Video file format	MP4
	Video call	support
	Audio formats	3 gp / mp4
	Audio coding format	aac
	Photo format	JPEG
Taken in	Photo maximum pixel	Big camera: 200 w small camera: 500 w
	Walkie talkie	Support talk with office & group talk moult talk
	The ambient light detection	Built-in ambient light detection chip, automatic switching infrared night vision
	Dual camera	Support
	Face recognition	Support optional
	The snapshot	Support video capture photo shooting
	Pre/record	support
	Video segmentation	5/10/15min
	Infrared switch	Automatic/manual
Infrared night vision	10 meters	
Wireless transmission	wi-fi	802.11b/g/n/ac,AP/Station Mode
	positioning	GPS glonass AGPS
	FTP server	Data uploade
	bluetooth	Bluetooth 4.0 BT2.1 EDR
	NFC	support
	Shoulder microphones function	Can be used with various types of radio connection
	Wireless charging	support
Data interface type		Micro USB , USB2.0
performance	Battery capacity	3500mAh
	Work hours	10h
	The charging time	3.5h
	Working temperature	- 20°C - 60°C
Vehicle (optional)		Can be used car
The external power supply (optional)		Can connect external battery
clip		High quality 360 ° rotating metal clip
size		90 mm *54.5 mm *30mm
The bare weight		135g
