"DELIVER QUALITY PRODUCTS IN VOLUME AND ON TIME DELIVERY."

Nehashi International, Founded in 2016 is leading the way in developing extraordinary products from quality ingredients, getting from diverse industries, has ability to respond to changing consumer needs and retain their competitive edge, locally and globally. We are one point solution for Indian Cereals, Spices and Dry Fruits.

Nehashi's core objective is to establish ourselves firmly as a leader in the exports market by exporting the finest quality of Cereals, Spices and Indian Nuts to consumers across the world. To achieve this objective we are committed to put in all required efforts and consequently emerge as a global leader in the field of exports. We strive hard to keep up our quality in all our Agro-products. We put all our efforts to ensure that we have a substantial global share in the entire value chain of Cereals, Spices and Nuts by making available globally to the retail consumers.

With time, we have developed several innovative technologies and processes in the export of Organic Items. Indian cereals include best quality rice, wheat, maize, beaten rice, sattu and all other Indian origin high value cereals. As far as spices are concerned, we deal in all range starting from Turmeric, Red Chilly, Cardamom, etc. Amongst dry fruits, we are promoting the usage of high-quality fox nuts (makhana) in all nooks and corner of the world. Foxnuts also known as Lotus seeds are very high in all sorts of nutrients and have the unique power of immunity booster. Fox Nuts (makhana) are not that easy to cultivate and require skilled farmers to plant, cultivate and process these round little balls. We make sure that our Fox Nuts (makhanas) meet the export quality from cultivation to packaging to delivery. Apart from Foxnut, we deal in all range of nuts viz. Almond, Cashew, Walnuts, etc.

Our aim is to reach all the possible consumers and achieve a Rs.100 crore turnover by the year 2025. Nehashi International is a professionally managed company committed to the highest standards of corporate governance.
