BLUE CUT

AUTO SHEET - FED LABLE CUTTER

Model Name : Z3

Media Way : Auto feeder

Maximum Cutting Area : 483*329mm

Maximum Cutting Speed : 800mm/s stepper motor cutting system

Control Panel : 4.3inch Full Colorful touch screen

Driver : Stable Stepper Motor Driver

Cutting Force : 10-1000g (adjustable)

Mechanical Precision : 0.025 mm

Interface : USB/U disk/Serial port

Main Board : 32-bit ARM7 CPU ,128Mb,high-speed cache memory

Highlight features:

1. Auto feeder system can feed different material continuously;
2. Big paper feeding tray: maximum put 100 pcs in one time;One cutting file can repeat 2000 times continuously;
3. Smart Material sensor in the feeding tray. Stop feeder rolling if no material in the tray;
4. Maximum repeat cutting times: 2000 times;
5. Special Bar Code design for Material. Cut a mixed different files continuously;
6. Automatic contour cutting function, available cut any shapes of printed labels;
7. High precision steel axis to ensure accuracy cutting. Save more material with 5mm margin needed ;
8. Cutting force: 10-1000g (Kiss cut and full cut);
9. Three interfaces: USB / U disk / Serial port;
10. Support work with Flash drive directly. U disk for offline working, No need to bring the computer everywhere or use long USB cables.
