POWER TO PERFORM™

HP GEAR OIL XP 80W 90

DESCRIPTION

HP GEAR OIL XP 80W-90 is multipurpose gear oil containing extreme pressure additives for moderate as well as severe conditions service.

APPLICATIONS

Application areas are hypoid differential & drive axles and manual transmissions of automobiles.

PERFORMANCE BENEFITS

- Excellent thermal & chemical stability
- Protection against rust & corrosion ensuring longer trouble free protection
- Good performance even under extreme pressure & varying load conditions

MEETS REQUIREMENTS OF

- API GL-5
- MIL-L 2105 D
- EP Type GL – 5 Level of IS: 1118:1992 (Re-affirmed 2011) specifications

PHYSICO-CHEMICAL PROPERTIES (TYPICAL)

Kinematic Viscosity, @ 100°C, cSt	13.5 - 16.5
Viscosity Index	100
Flash Point, (COC), °C	200
Pour Point, °C	-21
