India's No.1 Manufacturer of Entrance Automation Product

INDIA'S NO.1 MANUFACTURER OF ENTRANCE AUTOMATION & SECURITY PRODUCTS

At Mosfi, we are proud to be a leading Manufacturer, Importer, Distributor, and Service Provider specializing in security and automation products since 2013. With a strong presence in the global market for years, our reputation is built on innovative solutions, uncompromising quality, and outstanding customer support.

Empowering "Make in India": We are committed to producing good quality products under the renowned Mosfi brand.

Delivering Long-term Value: We aim to provide reliable and sustainable solutions by offering original spares for up to 10 years for selected models, ensuring the longevity of our products.

Expanding Market Presence: With a network of support across major cities in India, we ensure that quality security solutions are always within reach, wherever they're needed.

Our vision is to be a performance-driven organization that thrives on innovation and customer satisfaction. We are committed to upholding unparalleled service standards, offering exceptional support and technical expertise. By continuously developing a comprehensive portfolio of products, we aim to meet the growing demands of the market and deliver value-added solutions to our clients.

Comprehensive Product Range: We offer a wide array of security and automation solutions to meet diverse needs.

Unmatched After-Sales Service: Our after-sales support and backup services are among the best in the industry, ensuring complete customer satisfaction.

Trusted by Prestigious Clients: Our association with some of India's most respected organizations, including Ram Mandir Ayodhya, Centra Vista, Indian Army, Navy, Air Force, BARC, BEL, Adani, Samsung, L&T, Yashobhumi, and many more, attests to the trust and credibility we've earned over the years.
