INDIA'S NO.1 MANUFACTURER OF ENTRANCE AUTOMATION & SECURITY PRODUCTS

At Mosfi, we are proud to be a leading Manufacturer, Importer, Distributor, and Service Provider specializing in security and automation products since 2013. With a strong presence in the global market for years, our reputation is built on innovative solutions, uncompromising quality, and outstanding customer support.

**Empowering "Make in India":** We are committed to producing good quality products under the renowned Mosfi brand.

**Delivering Long-term Value:** We aim to provide reliable and sustainable solutions by offering original spares for up to 10 years for selected models, ensuring the longevity of our products.

**Expanding Market Presence:** With a network of support across major cities in India, we ensure that quality security solutions are always within reach, wherever they're needed.

Our vision is to be a performance-driven organization that thrives on innovation and customer satisfaction. We are committed to upholding unparalleled service standards, offering exceptional support and technical expertise. By continuously developing a comprehensive portfolio of products, we aim to meet the growing demands of the market and deliver value-added solutions to our clients.

**Comprehensive Product Range:** We offer a wide array of security and automation solutions to meet diverse needs.

**Unmatched After-Sales Service:** Our after-sales support and backup services are among the best in the industry, ensuring complete customer satisfaction.

**Trusted by Prestigious Clients:** Our association with some of India's most respected organizations, including Ram Mandir Ayodhya, Centra Vista, Indian Army, Navy, Air Force, BARC, BEL, Adani, Samsung, L&T, Yashobhumi, and many more, attests to the trust and credibility we've earned over the years.

# Technical Specification Dual way Turnstile

Model	Dual way Turnstile
Tripod Type	Drop Arm Semi Automatic
Operating Direction	Uni Directional / Bi Directional
Material	SS 304
Passage Width	510 MM ( Que Bay Optional)
Passage Speed	20-30 Person/MIN ( Actual Traffic Speed is depend on user & varying with user interface)
Indicator	Led arrow directions
AC Input Voltage	AC110V/22V,50-60HZ
AC Input Power	Operating:18W Standby: 6W
Locking Mechanism	Electronic Solenoid locking mechanism
Opening Signal	Dry Contact Signal
Operating Mechanism	NO/NC Pules based solenoid locking mechanism
Duty Cycle	100%
IP Degree	IP 55
Operating Mode	Smart Cards, Face Recognition, Biometric, Push Button Remote
Power Failure	Drop down the arm
MTBF	<-5 Million
Operating Temp	-5 To 60 DEG
Humidity	5-80%
Working Envio	Indoor/outdoor ( If sheltered )
