Subject: Quotation for MA-tDCS – Transcranial Direct Current Stimulation System

Dear Sir/Madam,

Greetings from R.S. Enterprises!

Thank you for your interest in our neuromodulation devices. Please find below the detailed quotation for the ****MA-tDCS – Transcranial Direct Current Stimulation System****, a compact, USB-powered device designed for delivering safe, low-intensity direct currents to stimulate and modulate brain activity.

Ideal for both clinical and research applications, this system offers features like ramp-up/down timing control, multiple electrode types, impedance monitoring, and portability. It's a highly reliable tool for cognitive enhancement, depression therapy, neurological rehab, and brain training.

We've extended a special offer price to your esteemed institution. Please review the attached technical details and terms. Feel free to contact us for customization or support.

Looking forward to serving your team with our trusted service and certified equipment.

Warm regards,
Shashee Kumar
Founder & Director

Product Details

Price Table (INR)

Description	Basic Price	GST (12%)	Total Price
Transcranial DC Power MA-tDCS Unit	₹60,000	₹72 00	₹67200

Product Name: Transcranial DC Power MA-tDCS

Brand: MEDICAID SYSTEMS, Chandigarh

Country of Origin: India

Model: MA-tDCS

Category: Psychiatry & Neurotherapy Equipment

Certifications: CE Certified | ISO 9001:2015 Compliant

Key Features

- Non-invasive Direct Current Brain Stimulation (tDCS)
- SHAM Mode (Simulated Therapy) for Clinical Trials
- TFT Touch Screen with Auto Therapy Logs
- Polarity Selection (Anode for Activation, Cathode for Suppression)
- Operable on both Battery and Direct Power
- Effective in Depression, Anxiety, Stroke Rehab, Cognitive Disorders, and more

Inclusions

- MA-tDCS Unit with Electrodes (Anode & Cathode)
- Battery Backup + AC Adapter
- Operating Manual & Carry Case
- Free Training (Virtual/Onsite)
- 1-Year Warranty (Parts & Service)

Terms & Conditions

- Delivery: Within 7-10 working days from order confirmation
- Payment Terms: 100% Advance Payment
- Installation/Training: Included
- GST: As applicable (currently 12%)
- Transport/Shipping: Extra or as mutually agreed

Subject: Quotation for Multi Behaviour Therapy – Model MBT-498

Dear Sir/Madam,

Greetings from R.S. Enterprises!

We are pleased to submit our quotation for the supply of the MEDICAID Multi Behaviour Therapy – Model MBT-498, a four-in-one therapy system integrating Sex Therapy, Electro Sleep, Brain Polariser, and Aversion Therapy in one portable, digitally controlled unit. This CE-certified and CDSCO-approved device is ideal for hospitals, psychiatric clinics, and research institutions.

Below are the product features, functions, technical specifications, accessories, pricing, and commercial terms.

Warm regards,
Shashee Kumar
Founder & Director
R.S. Enterprises

Features & Functions

- Four therapies in one unit: Sex Therapy, Electro Sleep, Brain Polariser, Aversion Therapy
- Auto cut-off timer with digital controls
- Timer mode: 1-9999 seconds selectable
- All parameters work independently & simultaneously
- All parameters synchronised with timer – useful during treatment
- Portable powder-coated metal console, easy to carry

Therapy Descriptions

Sex Therapy

- Treats sexual dysfunctions caused by psychological or emotional factors: performance anxiety, fear of failure, guilt, poor self-esteem, poor interpersonal communication
- Effective when reassurance or Doppler methods fail
- Helps patients improve approach towards their partner

Brain Polariser

- Effective for treating depression (mild to acute)
- Works when ECT & drugs fail
- Possible side effects: heaviness after treatment, minor skin irritation
- Used in resistant depression cases

Electro Sleep

- Induces sleep in insomnia patients
- Activates brain's natural sleep-inducing mechanisms
- Causes heaviness leading to natural sleep onset

Aversion Therapy

- Treats addictions: alcohol, smoking, drugs
- Addresses dependence & behavioural disorder
- Counters brain cell damage caused by long-term addictive substance use
- Remote control option for treatment

Technical Specifications

Parameter	Specification
Timer	1 to 9999 sec selectable
Sex Therapy Intensity	0-10V (Dual Channel)

Brain Polariser Intensity	0-30V
Electro Sleep Intensity	0-30V
Frequency	40 Hz
Aversion Therapy Intensity	0-100V (with mode selection)

☑ Standard Accessories

Accessory	Quantity
Sex Therapy Electrodes (Round Shape)	2 sets
Brain Polariser Electrodes	2 sets
Electro Sleep Electrodes	2 sets
Aversion Therapy Electrodes	2 sets
Power Supply Cable	1 No.
Fuses	5 Nos.
Conductive Gel	2 Bottles

☑ Price Quotation

Description	Quantity	Unit Price (INR)	GST @18%	Total Amount (INR)
Multi Behaviour Therapy – Model MBT-498 with Standard Accessories	1	₹80,000	₹14,400	₹94,400

☑ Bank Details

Bank Name	Account No.	IFSC Code	Branch/Place
HDFC Bank	01512020001351	HDFC0000151	Siliguri
State Bank of India	41097222798	SBIN0000184	Siliguri

Terms & Conditions

- Quotation Validity: 30 Days
- Delivery Schedule: Within 2–4 Weeks from confirmed order
- Warranty: 1 Year against manufacturing defects
- Delivery: F.O.R. Destination
- Dispatch Mode: By courier
- Custom Duty: To be borne by purchaser
- Payment Terms: 100% advance via RTGS/Cheque/DD,

tDCS

Technology

tDCS (Transcranial Direct Current Stimulation) technique

Product Description

tDCS is a non-invasive procedure where a small Direct Current (DC) is passed through the scalp to modulate brain function.

Mechanism of Action

Anode (positive electrode) delivers highly precise, controlled, and safe low-level currents:
From the positive electrode
Cathode (negative) delivers reverse brain stimulation helps enhance or suppress cortical excitability, depending on the electrode position.

Highlights

- Accurate low-level current output
- Brain modulation via excitation/Inhibition
- Compact and user-friendly design
- Clearly marked display and control buttons

Clinical Applications:

- Depression, Anxiety
- ADHD: OCD, PTSD
- Stroke recovery, Paralysis rehab
- Chronic Pain
- Cognitive & Memory enhancement
- Learning Disorders

Sham mode is also available
