

PRODUCT PROFILE & FOUR HEAD HORIZONTAL

WELCOME

ABOUT THE COMPANY

Established in 2012 as **FUSION TECHNOCRAFT** and incorporated as an LLP on May 17, 2018, **FUSION CNC TECHSYSTEMS LLP** is a leading manufacturer and importer of advanced CNC Stone Carving and Cutting Machine technology and stone diamond tools. Under the visionary leadership of **Mr. Manish Sukhadia**, Founder and Managing Partner, the company specializes in a diverse product range including CNC engraving and cutting machines, profiling machines, stone temple and pillar carving systems, sculptures, granite monuments, and tombstone machinery. Renowned for exceptional performance, high durability, low maintenance costs, and competitive pricing, Fusion CNC ensures the highest quality by using premium raw materials and maintaining a robust network of trusted vendors with an efficient bulk manufacturing infrastructure. Driven by innovation and guided by experience, Fusion CNC continues to build a strong presence in the stone processing machinery industry and shape excellence in CNC technology and stone craftsmanship.

FOUR HEAD HORIZONTAL
CS-3915-4

FOUR HEAD HORIZONTAL

MODEL	CS-3915-4
Working Size	3900 x 1500 x 500 mm
Maximum Size of each stone	800 x 1500 mm
Spindle Motor	7.5KW*4 water cooling
Working Accuracy	+/- 0.5mm
Spindle Speed	0 - 24000rpm
Max Traveling Speed	20000mm/min
Max Working Speed	12000mm/min
Working Voltage	AC380V/ 60Hz - 3 Phase
Drive And Motor	Hybrid Servo
Control System	Weihong NKI 05 G2 Hand Control Remote System
XYZ Stwcture	X,Y Rail with Rack & Pinion Z -Ball Screw with High Precision ball Screw -Taiwan
The Transmission way	Reducer Japan
Block & Guide	Hiwin 25 & 30 Taiwan Brand
Rack	Precision Halick Drive
Screw	Taiwan Brand TBI Screw
Lubrication System	Automatic oil Filling Pump
Instruction	G Code
