Updated Atomy Daily Expert Mask

Daily products used on your face should be chosen more carefully, feel more comfortable, and offer smarter features

Daily Expert Mask

Even more special effects through carefully selected ingredients

Comfort formula achieved through naturally derived sheets and safe ingredients

Three different formulas with different effects that offer intensive care on different skin areas

Innovative seaweed expert sheets made with four different naturally derived threads

Seaweed Expert Sheet

An innovative sheet made with four naturally-derived threads and developed by adding the soft adhesion of cuprammonium rayon, strength of Tencel, absorbency of bamboo, and high essence-holding power of marine algae

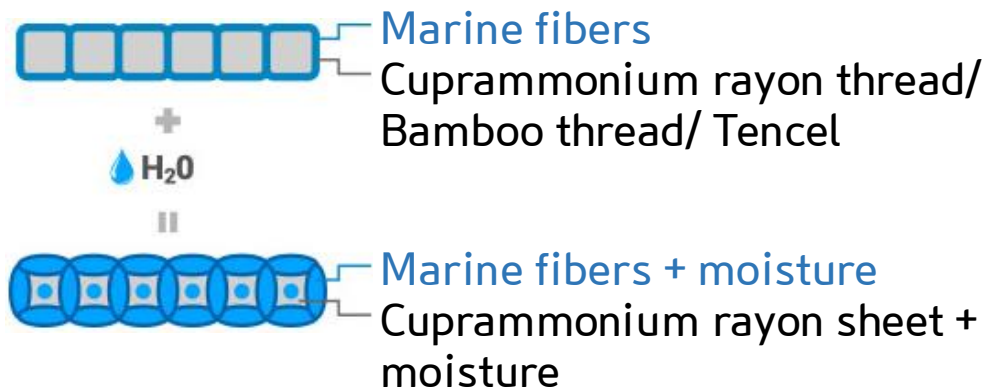

Seaweed Expert Sheet

Keeps skin moisturized for extended periods thanks to outstanding moisture holding capacity of innovative sheet filled with natural marine fibers

- Comfortable Texture
- Outstanding Moisture
- Soft Adhesion
- Translucence

1 Superior moisture holding capacity of the Seaweed Expert Sheets

2 Seaweed bubble mucus that maintains moisture for extended periods and provides deep nourishment

Seaweed Expert Sheet

Translucent and Adhesion Test

- Expert Daily Mask Fabric
- Gently adheres to the skin
- Excellent translucency makes the original skin color visible underneath the mask

Three Formulas for Different Effects

Mask can be used in certain areas for intensive care depending on the skin area of concern

Seaweed
Expert Sheets
Rich Natural
Nourishment

Daily Expert Mask – **Moisturizing**

Oligopeptide

Peptide consisting of amino acids such as lysine, glycine, histidine helps improve elasticity and firmness of skin

Soluble Collagen

As key ingredients that compose the connective tissues in the human body, helps flexibly moisturize the skin

Kombucha Complex

A compound of black tea extract and yeast ferment extract that provides abundant energy, including vitamin B and various enzymes

How to Apply ATOMY Daily Expert Mask

After cleansing, prep the skin with a toner for even better results

1
Moisturise your face with a skin toner after cleansing

2
Open the product and remove the protective film. Place the mask, matching the positions of the eyes and mouth, then apply evenly to the entire face

3
Leave the product on your face and remove after 10–20 minutes, Gently tap the remaining essence to let it absorb into the skin

4
Finish with lotion and cream, depending on the condition of your skin

Great Evolution of Mask Packs

A powerful synergy effect created by carefully selected ingredients and innovative sheets!

Thank You!
