1

## DEEP CLEANSER

Removes Makeup & Cleans pores

Dissolve makeup and impurities while moisturizing your skin with pleasantly soft feeling.

# Deep Cleanser

Deep cleansing particles

Sebum and makeup remainder

STEP 1

Promotion of skin circulation

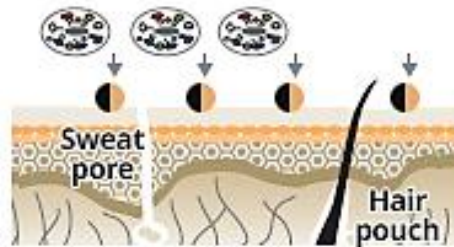

STEP 2

Skin clearing

STEP 3

Softening effect

Massage

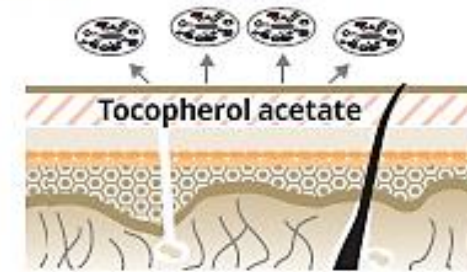

After applying deep cleansing cream, massage softly to promote blood circulation

Face wash

When the epidermal layer is relaxed, moisture and nutrients are absorbed into the skin. Giving skin vitality and firmness.

This regenerates skin barriers and makes skin moist and glossy

## Deep Cleanser [150ml]

Removes makeup and cleanses clogged pores

### Firm Skin

Ginseng extract and ginkgo extract keep dull skin looking hydrated and firm.

### Clear Skin Tone

Green tea extract helps your skin look clean and clear.

### Glossy Skin

Carrot extract and tocopherol acetate help retain skin elasticity and nutrition and add a healthy glow to your skin.

2

## FOAM CLEANSER

Clean pores and other skin residues

Remove the impurities on your skin with rich lather.

# Foam Cleanser

- Sebum — Horns
- Make-up residue

Rich lather removes sebum in pores to help maintain clean and healthy skin

After washing your face, moisturizing ingredients of beta-glucan and rich nutrients of Phellinus linteus/vegetable worm extracts make your skin vivid and glossy

# Indications

## Foam Cleanser [150ml] Remove impurities and makeup

### Makeup Removal

Remove impurities and makeup from the stress of pollution and make skin look younger and healthier.

### Clean Skin

Rich lather sweeps away sebum and dirt of pore and helps to purify and refresh skin.

### Hydrated Finish

Phellinus linteus and Linteus rice extracts prevent tightening of skin after wash and nourish skin.

3

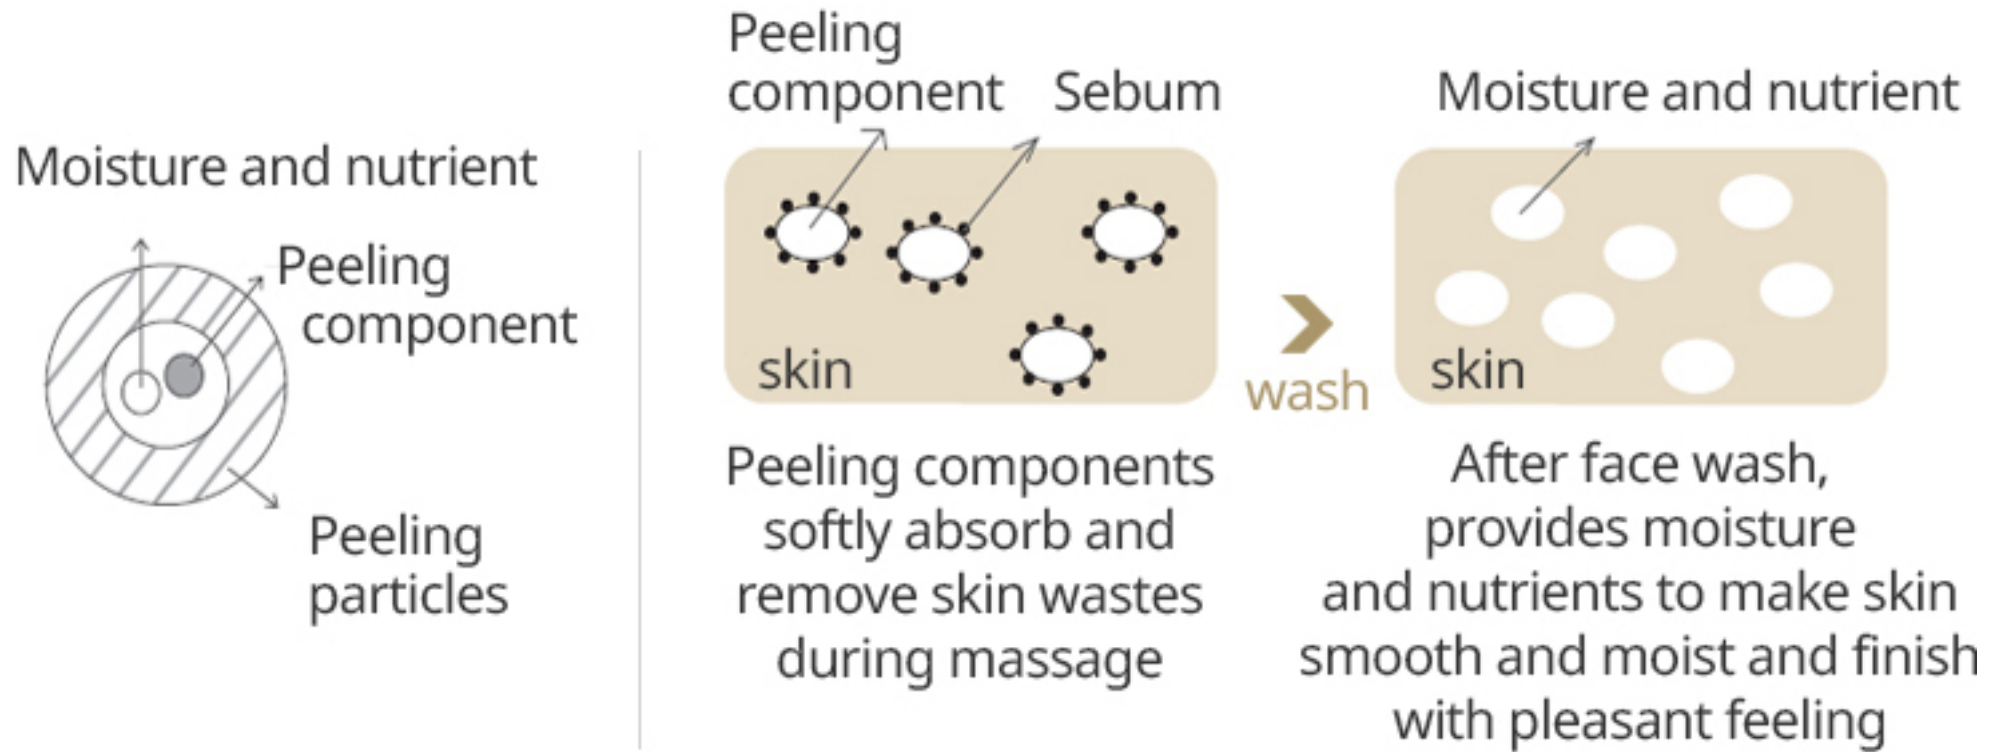

## PEELING GEL

Exfoliates and prepares skin for better absorption of nutrients

Smooth your skin with gentle removal of dead skin cells.

# Peeling Gel

## Peeling Gel [120ml]

Easily removes unnecessary dead skin cells without skin irritation.

### Dead Skin Cells

Easily removes unnecessary dead skin cells without skin irritation for better absorption of other skin care products.

### Radiant Skin

Elm tree root extract and water-soluble moisture element gently remove dead skin cells and make dull skin radiant.

### Sebum Control

Citrus grandis peel extract helps to eliminate excess sebum and softens sensitive skin.

4

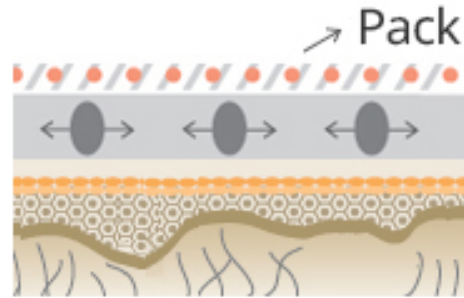

## PEEL-OFF MASK

Minimizes pores, firms & calms skin

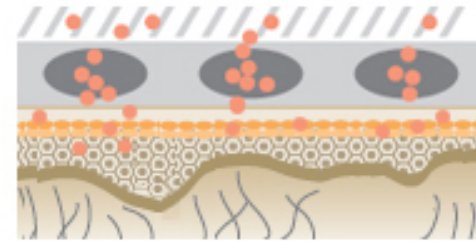

Cleanse pores giving skin the appearance of elasticity and firmness.

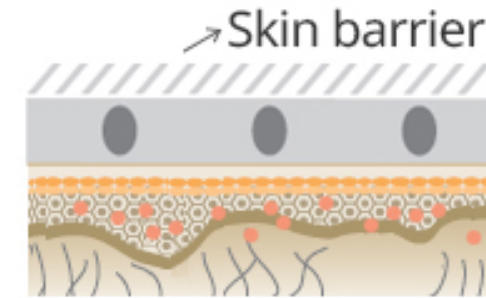

# Peel-off Mask

When pack composite adheres closely to the skin, the epidermal layer is relaxed momentarily and unnecessary horns are absorbed from the skin surface.

When the epidermal layer is relaxed, moisture and nutrients are absorbed into the skin. Giving skin vitality and firmness.

Skin wastes are absorbed and removed on the dried pack composite and skin barrier is formed to protect the skin.

The pores which were opened momentarily are retightened and skin is renewed to be smooth and buoyant.

## Peel Off Mask [120ml]

Minimizes pores, firms & calms skin

### Pore Care

Amethyst powder helps to cleanse and clear clogged pores.

### Elasticity

Centella extract gives skin the appearance of elasticity and firmness.

### Purified Skin

Jade powder helps active circulation of skin and refines the skin's surface.
