Atomy Synergy Ampoule

Advanced Hydration

Moisture / Elasticity

## What's Special

Advanced moisture filling and skin-firming effect of transparent capsules that burst with moisture

Prestige Moisture Ampoule filled with Moisturizing and Elasticity-enhancing ingredients

A starter ampoule that prepares the skin for intensive care

### Why Advanced Hydration

**Agent 1**  
Core Ampoule  
Baby NMF + Plant Liposome  
(Transparent + capsule)

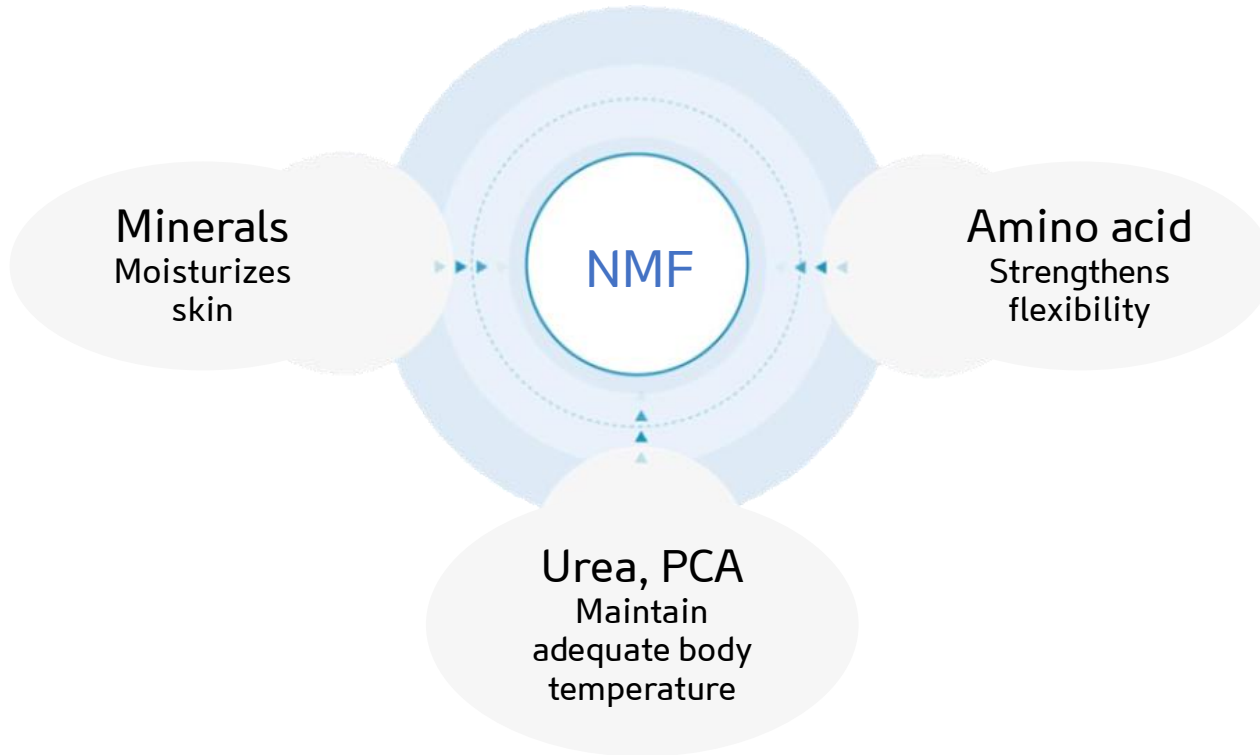

**Agent 2**  
Active Ampoule  
Malachite extract

- Contains highly potent active ingredients that provide an excellent moisture elasticity effect
- Applies oil capsule stabilization technology (MET) to the Water Bank System
- Applies Plant Liposome

Product Feature

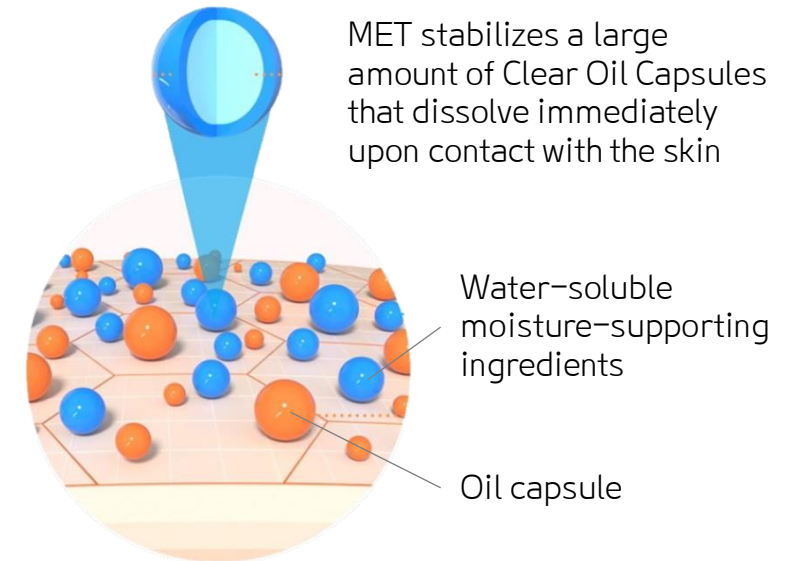

## Baby NMF Complex

Substance that retains moisture in the skin

## Baby Amino Bank Capsule

Oil capsule stabilization technology (MET)  
+ Baby NMF

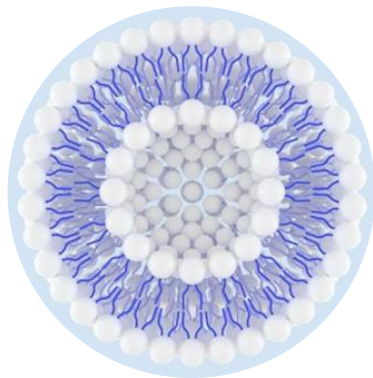

## Water Bank System

Firming effect through upgrade of skin moisturizing effects  
Immediate nutrition and radiance

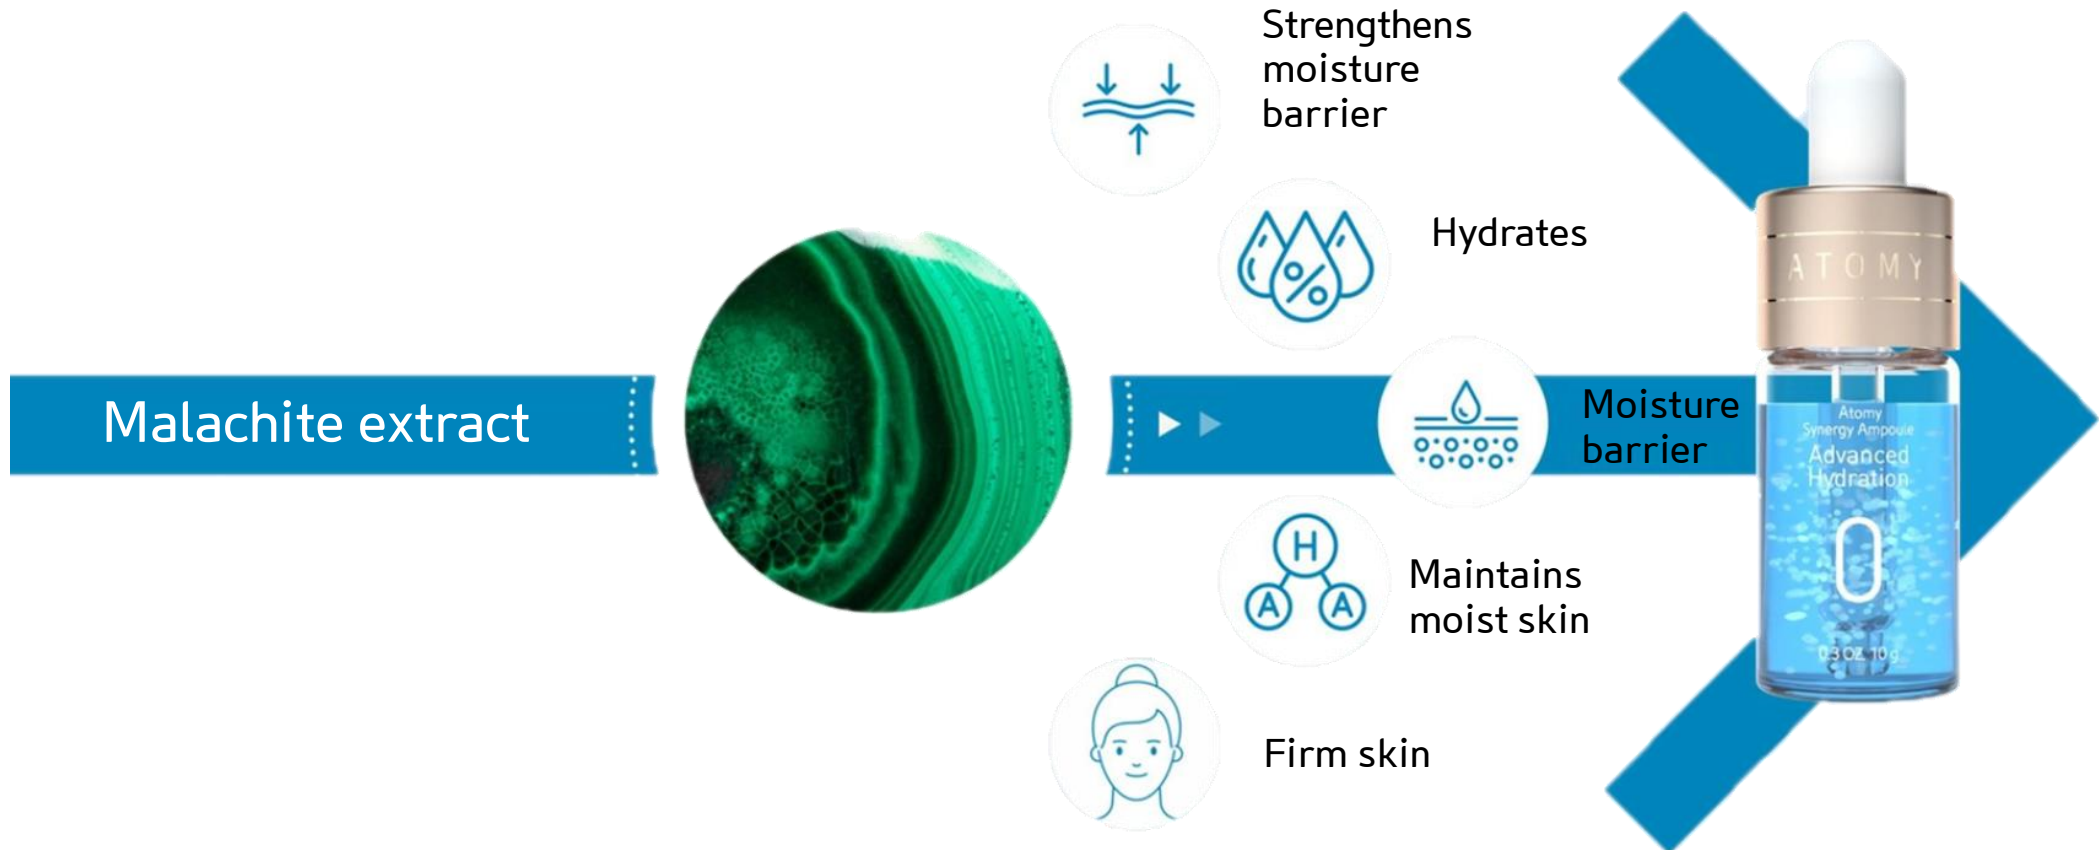

Product Feature

## Plant Liposome

Stabilizes eight plant-derived ingredients in the formula!  
Delivers quickly to the skin and strengthens moisture retention in the skin!

# Active Ingredient – Active Ampoule

# CODE 1

Atomy Synergy Ampoule

Vita Luminous

Brightening / Radiance

# What's Special

Achieves radiant skin with fundamental melanin care

Prestige Brightening Ampoule containing 13 types of multivitamins

## Why Vita Luminous

**Agent 1**  
**Core Ampoule**  
12 types of Vitamins  
Absolute CellActive  
Brightening Code (Transparent)

**Agent 2**  
**Active Ampoule**  
Vitamin C (Yellow capsule)

- Contains high potency active ingredients that provide excellent brightening effects
- Fresher use of high content pure vitamin C
- High-potency ampoule that can be used without skin irritation even with high vitamin content

Product Feature

CellActive™ Brightening Code upgrades brightening effects by quickly and accurately targeting skin areas of concern through CellActive™ Technology

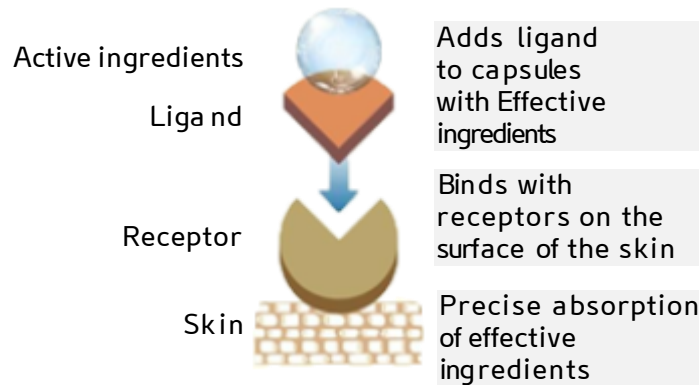

Skin tone care and brightening effect

**300,000 ppm**

Brightening Code applied

## CellActive™ Technology

Enables effective ingredients that help skin vitality to quickly and accurately find and target skin problem areas

## CellActive™ Code

Brightening Code is applied among Selective Codes, an Atomy material technology that has upgraded efficacy by a combination that helps skin vitality

# Active Ingredient – Active Ampoule

## Pure Vitamin C

Pure vitamin C stored separately in the active ampoule container is popped immediately before use for skin texture care and to upgrade the brightening effect

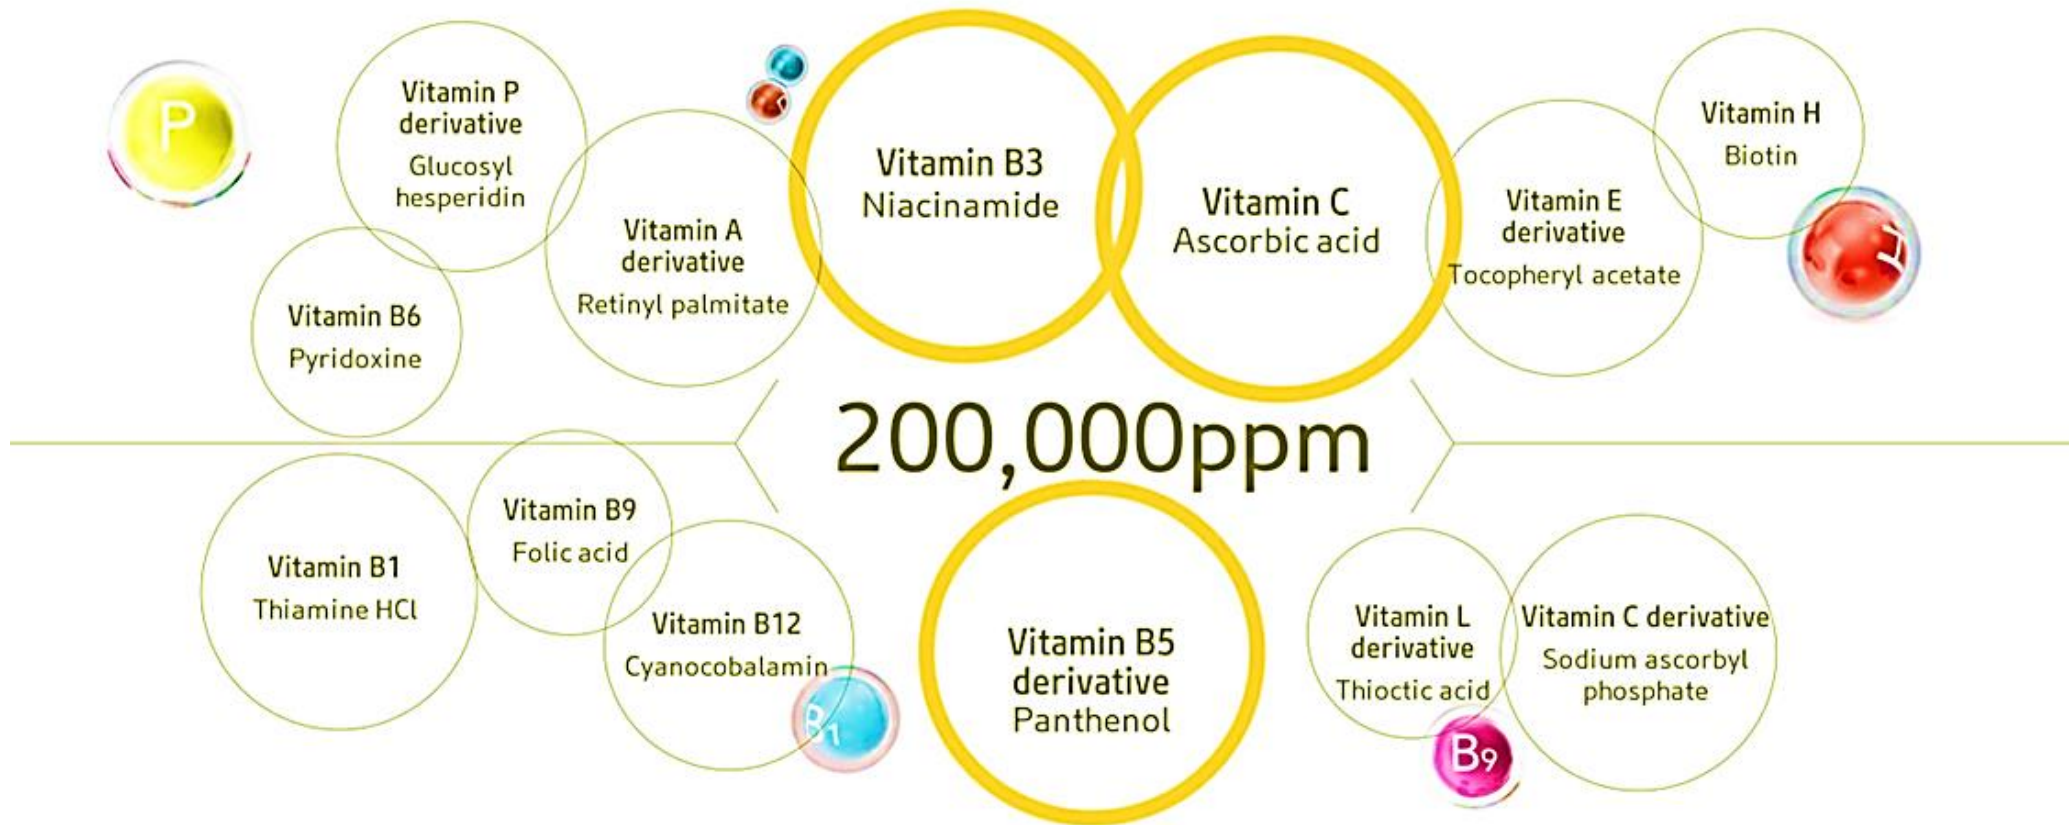

Helps maintain clean and flawless skin  
Delivers vital energy and firming care to rough skin

Stabilizes high content of pure vitamin C (ascorbic acid) by applying encapsulation technology

## Vita Bright Complex™

Powerful brightening care effect of multivitamins formulated with 13 types of vitamins (200,000 ppm)

# CODE 2

Atomy Synergy Ampoule

24K Gold Infusion  
Elasticity / Lifting

0.3 OZ 10g

# What's Special

A strong Lifting effect that raises even deep wrinkles, creating firmer and fuller skin

Prestige Lifting Ampoule that shines with 8 types of peptides and 24K gold

## Why 24K Gold Infusion

**Agent 1**  
**Core Ampoule**  
24K Gold

8 Types of Peptide CellActive  
Lifting Code  
(Transparent + Gold)

**Agent 2**  
**Active Ampoule**  
Resveratrol (Brown)

- Contains high-potency active ingredients that provide excellent lifting effects
- The Water Bank Gel System fills the skin with effective ingredients Provides firmer skin

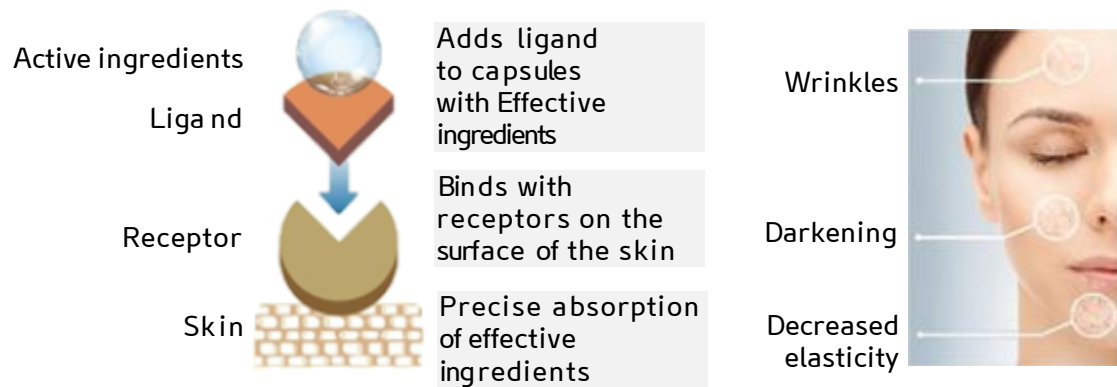

Product Feature

CellActive™ Lifting Code upgrades lifting effects by quickly and accurately targeting skin areas of concern through CellActive™ Technology

Soothes and protects irritated skin

**200,000 ppm**  
Lifting Code applied

## CellActive™ Technology

Enables effective ingredients that help skin vitality to quickly and accurately find and target skin problem areas

## CellActive™ Code

Lifting Code is applied among Selective Codes, an Atomy material technology that has upgraded efficacy by a combination that helps skin vitality

Daffodil extract  
(DORMIN  
technology applied)

Yosemite Ferment  
Filtrate

Lupine protein

## Product Feature

### White lupine peptide

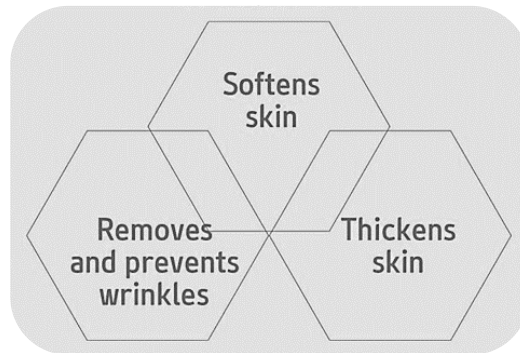

Skin radiance care and firming effect

Material valued for various effects 4,000 years ago and 2,400 years ago in ancient Egypt  
Lupine's protein content is 40%, providing a certain improvement in elasticity and anti-aging effects

### 7 Types of Peptide Complex

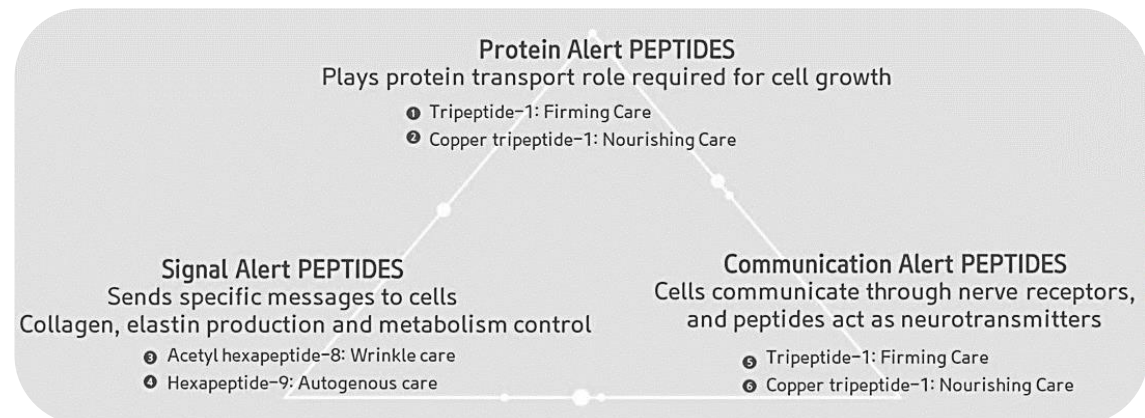

Gives skin a strong firming effect and lifting effect  
Helps with caring for rough and wrinkled skin

### Palmitoyl Pentapeptide ( Palmitoyl Pentapeptide-4)

### 6 Boosting Peb Complex

The three-step peptide mechanism helps overall skin lifting care through organic connection

Product Feature

## 24K Gold

Provides energy, radiance, and lifting effects to give the skin vitality and enhance lifting effects. Gold is also described as effective for skin radiance and elasticity care in the 'Dongui Bogam', and the ions with minute electric currents help the active ingredients absorb well into the skin.

600ppm  
24K Gold applied

## Product Feature

### Resveratrol

As a representative material of polyphenol extracted from berries, it has higher energy than idebenone and is effective for treating problems caused by aging

19,400ppm

Contains high content of resveratrol by applying liposome technology

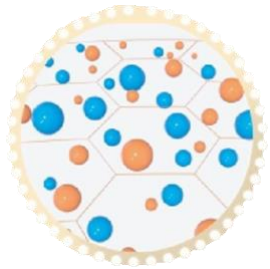

A precious ingredient that only 1 kg can be obtained of from 1.68 million liters of fermented berry juice

# Active Ingredient – Active Ampoule

## Water Bank Gel System

Water Bank Gel System through high molecular network

High molecular network

**CODE 3**  
Atomy Synergy Ampoule

Miraculous Rejuvenation

Anti-Aging

# What's Special

As if the skin was intensively cared for in an aesthetic treatment, it provides anti-aging effects by increasing skin pattern density with the next-generation Derma Active ingredient

Highly concentrated, nutrient-filled Prestige Anti-aging Ampoule

## Why Miraculous Rejuvenation

Agent 1  
Core Ampoule  
Lactate  
CellActive Almighty Code  
(White)

Agent 2  
Active Ampoule  
Sucalfate  
(Light purple)

- Active ingredients that provide excellent anti-aging effects
- Achieves perfect skin as if intensively cared for in an aesthetic treatment

# Active Ingredient – Core Ampoule

## Product Feature

CellActive™ Almighty Code upgrades lifting effects by quickly and accurately targeting skin areas of concern through CellActive™ Technology

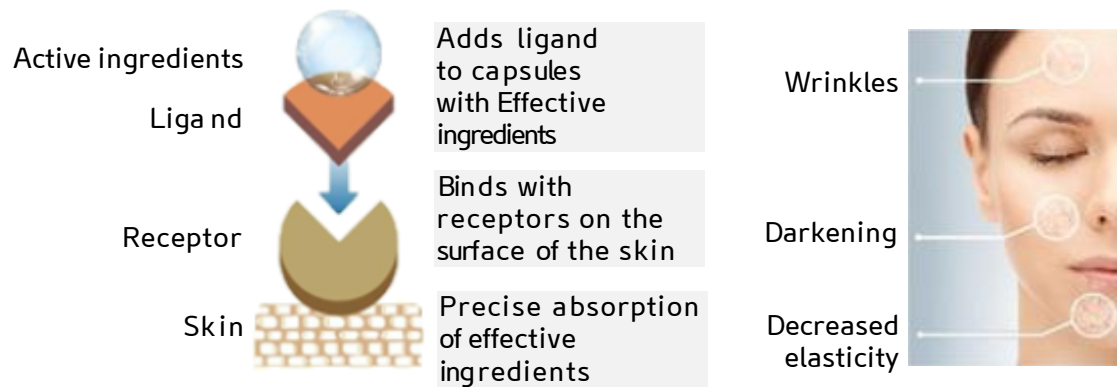

Helps with total skin care

**300,000 ppm**

Almighty Code applied

## CellActive™ Technology

Enables effective ingredients that help skin vitality to quickly and accurately find and target skin problem areas

Almighty Code is applied among Selective Codes, an Atomy material technology that has upgraded efficacy by a combination that helps skin vitality

E.G.F.  
( Epidermal Growth Factor)

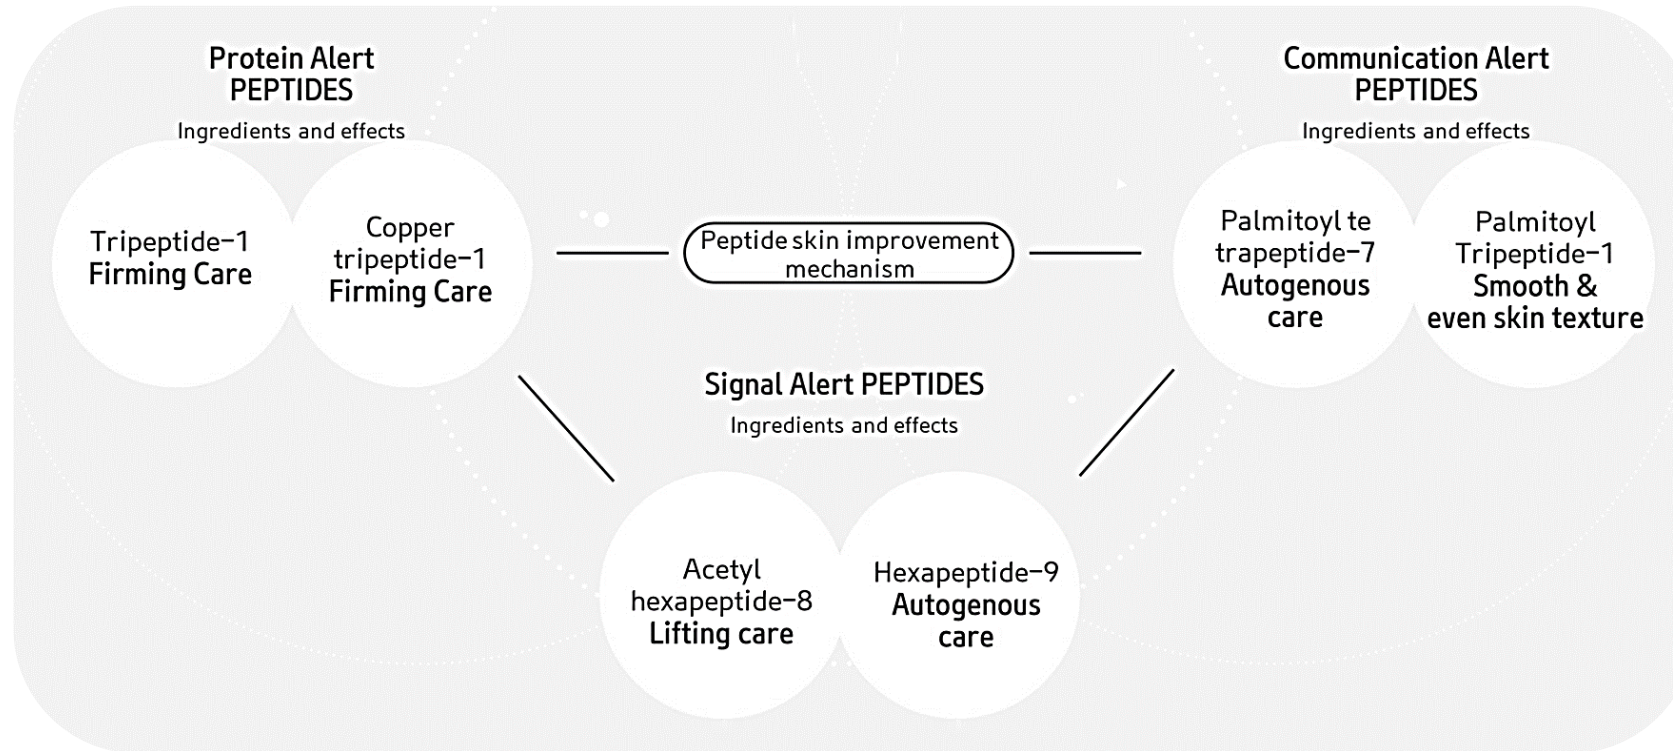

Summer Snowflake Bulb extract  
(DORMIN technology applied)

Product Feature

E.G.F. ( Epidermal Growth Factor)  
Firming care ingredients in the human body  
Ingredients that nourish the skin and help regenerate

## 6 Boosting Peptide Complex

The three-step peptide mechanism is organically connected to help with overall skin lifting care

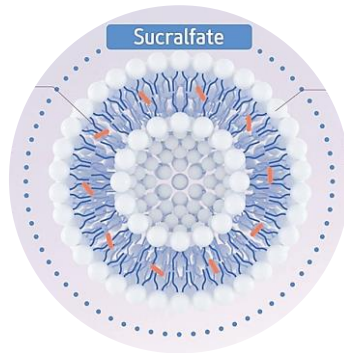

## Lactate

Substances that make up NMF (Natural Moisturizing Factor)

Similar to natural moisturizing factor, it helps strengthen skin barrier without side effects

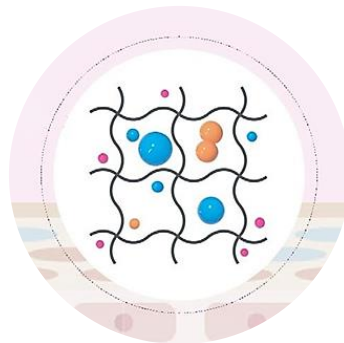

Product Feature

## Sucralfate

(Aluminum sucrose octasulfate)

Ingredient that is used in various ways and helps skin regenerate  
Stabilizes high content of sucralfate by applying liposome technology

## Water Holding System

Alkyl Carbomer

Improves overall skin condition

Tightly constructed Water Holding System provides basic skin care and rich nutrition

# Four-week Intensive Care Program

Moisturizing and firming, brightening, wrinkle-reducing, anti-aging

## Basic solution

Time to build up the skin's basics

## Intensive care solution

Time to intensively care for skin problems

# Recommended for
