WARRANTY

## UF - M 930

**Professional Marine  
Communication  
Transceiver**

High-Resolution **LCD Display** with Scrolling Channel Names

High-Volume Speaker for **Clear, Powerful Audio**

Integrated **Class D Digital** for **Emergency Alerts**

Buoyant Design That **Floats** on Water, With **IP67** Protection

**One-to-One, Group, and Broadcast** Calling Options

Easy-to-Use Channel **Tagging and Scanning**

**Crafted for the Open Waters, Designed for Effortless Communication and Enduring Reliability**

**Built for the open seas, the UNIFON UF-M 930 combines rugged endurance with a streamlined, ergonomic design, delivering reliable, effortless operation in any marine environment.**

With enhanced range and seamless marine compatibility, the UF-M 930 is a trusted onboard essential, ensuring uninterrupted communication for safe and efficient voyages.

# THE BEST DATA

## SPECIFICATIONS

### General

Frequency	TX: 156.025 - 157.425 MHz RX: 156.050 - 163.275 MHz
-----------	--

Mode	FM (16K0G3E) DSC (16K0G2B)
------	-------------------------------

Frequency stability	± 10ppm
---------------------	---------

Operating Temperature	-20°C to +60°C
-----------------------	----------------

Antenna impedance	50Ω
-------------------	-----

Dimensions	153 mm(H) X 152 mm(W) X 67 mm(D)
------------	----------------------------------

Weight	742g (with microphone)
--------	------------------------

### Transmitter

Output Power	25W / 1W
--------------	----------

Max. frequency deviation	± 5.0 kHz
--------------------------	-----------

Spurious emissions	≤-70dB (H) ≤-56dB (L)
--------------------	--------------------------

Adjacent channel power	≥70dB
------------------------	-------

Audio harmonic distortion	≤10%
---------------------------	------

Current drain	≤5.5A (H) ≤1.5A (L)
---------------	------------------------

Input resistance	2kΩ
------------------	-----

### Receiver

Sensitivity	≤0.25μV
-------------	---------

Squelch sensitivity	≤0.25μV
---------------------	---------

Adjacent Channel Selectivity	≥70dB
------------------------------	-------

Spurious response rejection ratio	≥70dB
-----------------------------------	-------

Intermodulation rejection ratio	≥70dB
---------------------------------	-------

Max. current	≤1.5A
--------------	-------

Audio output power	≥4.5W
--------------------	-------

GPS signal ver.	NMEA0183-2.0
-----------------	--------------

Output impedance	4Ω
------------------	----

# UF - M 930 ACCESSORIES

Effortlessly  
Integrated, Built  
for Purpose—  
Accessories  
That Elevate  
Every Marine  
Communication  
Experience

## FIST MIC

LOUD AND CLEAR COMMUNICATION, COMFORTABLY  
DESIGNED FOR ANY SHIFT

## MOUNT

ENGINEERED FOR STABILITY, BUILT FOR COMFORT  
AND RELIABILITY

## POWER CORD

CRAFTED FOR DURABILITY, DESIGNED FOR  
RELIABLE POWER DELIVERY

## ADDITIONAL ACCESSORIES

FIBRE ANTENNA

RG 58 CABLE

RG 213 CABLE

# UNIFON

# Why UNIFON ?

Unifon is a leading provider of advanced communication and safety solutions, specializing in walkie-talkies, body-worn cameras, alcohol analyzers, antennas, and a wide range of essential accessories. Unifon is dedicated to quality, reliability, and innovation in every product, aiming to set new standards in safety and communication technologies.

Our mission is to deliver high-performance tools for professionals across various industries, with a vision to be the go-to brand for dependable, innovative communication solutions. Unifon's commitment to quality ensures our products meet global standards, making us a trusted name in safety and communication.

## Mission

To provide reliable and innovative communication and safety solutions that empower industries and individuals with high-performance tools, enhancing safety, efficiency, and connectivity.

## Vision

To become the global leader in communication and safety technology, delivering cutting-edge solutions and setting industry standards for quality, durability, and trust.

### Integrity

Upholding honesty and transparency in all our dealings.

### Innovation

Continuously advancing technology to meet evolving industry needs.

### Quality

Ensuring every product meets the highest standards of performance and durability.

### Customer-Centricity

Focusing on client needs and satisfaction, providing exceptional after-sales service.

### Reliability

Providing dependable products that withstand rigorous conditions.

### Industry Expertise

Specialized in walkie-talkies, body-worn cameras, alcohol analyzers, and communication accessories.

### High-Quality Products

Crafted for durability and performance in diverse professional environments.

### Comprehensive Range

From communication devices to essential safety gear, we offer a complete solution.

### Customer Commitment

Dedicated to exceptional support and after-sales service.

### Trusted by Professionals

A reliable partner for security, logistics, law enforcement, and various other sectors.
