

TEXTILE PIGMENT EMULSIONS

We are a distinguished firm engaged in offering Textile Pigment Emulsions to the customers. The range of our products comprises Pigment Black MV, Pigment Blue MB, Pigment Orange M5G, Pigment Red MGR, Pigment Violet MB, Pigment Yellow M2G and Pigment Red Violet MRK Textile Pigment Emulsions. These products are used in plastic, textile and paper industries, owing to the features like non-toxicity, excellent dispersion and colorfastness. Customers can avail these products in different packaging choices as per their requirements. Moreover, all our products are manufactured with graded chemicals like pigment powder, dispersing agents and other additives like anti-settling agent, fungicide & anti-dispersing agent.
