

CARLO GAVAZZI

The CARLO GAVAZZI GmbH was founded in 1969 and has its headquarters in Darmstadt. CARLO GAVAZZI is an innovative supplier of electronic and electrical equipment for industrial automation, the energy and environmental sector, the agricultural sector and building technology. Headquartered in Lainate, Italy, the Automation Components Business Unit has 22 distribution companies and over 60 agencies worldwide and is part of CARLO GAVAZZI Holding, a Swiss technology group. The Automation Components division develops and produces electronic control components for the global industrial automation markets at its own plants in Italy, Denmark, Malta, Lithuania and China. The product range includes sensors, control and monitoring relays, time relays, products for network and energy management, power supplies, switches and pushbuttons, solid state relays, safety technology and fieldbus systems.
