

LEUZE

For over 50 years, we have been developing, producing and selling efficient sensor solutions for industrial automation worldwide. We are the specialists with in-depth application know-how and broad industry knowledge. We always consider customer processes holistically in order to develop efficient solutions. With worldwide subsidiaries and more than 1,000 employees, our customers value above all the expert advice and reliable customer service. That is why we are called the sensor people. Get to know us.
