“中国红”的产品设计深受中国传统，具有“东方之冠，鼎盛中华”之意，其感源自当今的东方文化，汲取到了古典建筑精髓，即对称理念中国画的运行之道，完美结合了传统文脉和现代科技的理念，产品材料选择红色的铝材，契合红色的中国红色彩，同时红色是尊贵、东方智慧的代表也是现代文明的体现。

独特的风格，独特的外观，由定制铝型材生产而成，此门板可与固定防风门，门板与固定门框的密封性能比传统，给人视觉上百倍，空阔的视觉，不仅是具有和传统建筑，中国红成为一种流行时，大门也是中国老百姓的一个符号，也体现了对传统文化的尊重和传承。

"China Red" product design draws from the China Pavilion, the "Oriental Crown," Sprayed China meaning, inspired by ancient architectural culture, acquired to the classical design elements, the design elements of the Model World Expo China Pavilion, the perfect combination of a traditional culture and modern technology concept, Product shape is the same red tracks, accompanied by playing red color, today is also elegant, is a symbol of modern civilization, a manifestation of the Chinese spirit.

Unique content, Unique appearance, well with the new sense of your industry products, function authority and the best of the industry. Door and wheel using aluminum, leading light strength, the gate material, giving the most care, safe feel, also applicable to the design of wind and noise and not when China becomes a super red after the door into the four-point seems logical, and quickly bring a symbolic name of the style of life of the president of the door, as if he has the accumulation of years of experience in the right place only for today.
