

## PFA solder strip

### Detailed Product Description

It is mainly used to be made into Antisepsis,sealing,Antifriction ,and electric insulation parts.

Diameter :3-5mm

PFA solder strip :2.5x14mm

[Technical index of PFA:](#)

Index name	Unit	Figure	
		sheet□rod product	tube□film product
Density	g/cm <sup>3</sup>	2.12□2.17	
Tensile strength	Mpa	22	15
Elongation ratio	%	280	260
Temperature range	□	□200□260	
Dielectric strength	Kv/mm	15
